QUALIFICATIONS FROM AHA APPROVED SHOWS

1. A first or second place at an AHA Recognized Show qualifies for Regional classes **ONLY**.
2. **PARTICIPATION (For classes that require the use of a cow)**
 - a. Starting with the 2018 competition year - Cutting, Herd Work, Working Cow Horse and Reined Cow Horse Regional Championship classes require participation from one Recognized AHA Competition within their respective qualifying section. For National Championships, classes require participation from two Recognized AHA Competitions within their respective qualifying section (one of which may be a Regional Championship Show). Participation is defined as entered, shown and scored in that class. A zero is considered a 0 score and a NS or no score is not considered a score.
3. Dressage, **Ranch Riding**, Reining and Trail can also qualify with scores from an AHA show.
4. **POINT/SCORE SYSTEM** Points are awarded through 6th place. See points chart
 - The Point System was implemented for all Regional and National classes commencing with the 2005 show season.
 - *Qualification Points are **not** earned in Regional or National classes.*
 - The number of points a horse receives is based on the number of horses in the class the time the gate closed. Horses will earn one point for every horse in the class that they beat PLUS one for them self. Qualification points are awarded thru 6th place.
 - The points/scores listed on the Qualification chart must be obtained in the same AHA Section the Championship class is listed in. i.e. to qualify for Arabian Hunter Pleasure Open Championship - any Arabian Hunter Pleasure class will qualify – it does not matter what the Hunter Pleasure class is. Please remember rule 3 in General Rules and 4 & 5 below apply
 - You can't use both scores and points from the same qualifying class to enter different Regional or National classes. You must use one or the other.
 - **For Working Western Class that do NOT requiring the use of a cow (i.e. trail, reining, ranch riding) neither a “no score” nor a “zero score” penalty may receive an award and will NOT receive any qualification points in that class. A zero score MAY advance in a multiple-go event and if they get a positive score in the 2nd go round, they are eligible for an award and will receive qualification points**
5. **OWNER** Classes (AOT, AAOT, JOT) - an owner AT THE TIME OF QUALIFICATIONS must have been the rider/driver/handler in the **qualifying class** and must meet the USEF definition of an owner (USEF GR 141 & GR 123). Registration papers must be in an owners name (USEF AR 101.3). **The Amateur Co-Ownership Resolution passed at the 2017 AHA Convention does not go into effect until December 1, 2018 (further information will be forthcoming prior to implementation).**
 - The Owner can be any age from JOT to AAOT.
 - **** Sale of horse =** If an Amateur qualified the horse and wants to go into an Owner class at Regionals or Nationals, *the date of the signed transfer will determine if the Amateur can use that qualification for an Owner class*
