19 Whereas, Resolution 15-07 implemented the ability to hold concurrently adjudicated classes at the same time/date in  
20 a single arena with identical AHA class codes, and  
21  
22 Whereas, Regional Championship collective classes would be difficult to run as concurrent given that qualifications  
23 are required for each exhibitor for each Region, and  
24  
25 Whereas, Regional Championship classes judged collectively would be difficult to adjudicate due to the fact that the  
26 judges for each region may not know which horses in the ring they need to place for which Region, and  
27  
28 Whereas, Regional Championships in which exhibitors are participating in classes that are run as individual go's  
29 within the arena are easily identified as to which Regional Championship they are qualified for prior to  
30 their actual individual go, thus are easily adjudicated by the appropriate Regional judge(s); Therefore, Be It

34 **General Rules**

- 35 1. This system allows a show to hold concurrently adjudicated classes at the same time/date in a single arena with  
36 identical AHA class codes. (Regionals, Nationals and Dressage classes cannot be run utilizing this system).  
37 ***Exception: Regionals may utilize this system in the following classes where exhibitors compete one at a time, i.e.***  
38 ***Sport Horse In-Hand, Hunter/Jumper (Over Fences), Cutting, Reining, Working Cow/Herd Work, Ranch***  
39 ***Riding, Trail (English and Western), and Trail In-Hand. In addition, concurrent Regional Championships must***  
40 ***be from two different Regions, may not be from the same Region, and will not use the same Regional class title.***  
41 Using two different judges for each class session/division (for record keeping purposes only, AHA will utilize two  
42 recording numbers, i.e. Judge A will be recorded under one recording number and Judge B under another). AHA  
43 encourages a show to run all classes under both judges. (BOD 11/08) Working Hunter, ***Jumper***, Trail and Sport  
44 Horse In-Hand may be run on open cards. Horses in Working Hunter classes would still have to be trotted for  
45 soundness for each class when required. (Res. 15-07)
