Whereas, Country pleasure since its inception has looked to separate itself from English pleasure and be a more relaxed and easier way of going class, and

Whereas, In the opinion of the proponent, asking for a "STRONG TROT" and/or a "HAND GALLOP" goes against what the class title implies, and,

Whereas, In the opinion of the proponent, focusing on the finer points of Country Pleasure like attitude, smooth transitions and quiet mouths, etc. would be a better barometer for what's important, and

Whereas, In the opinion of the proponent, the halt and back portion of the required "test" in all Country classes has proven to be ineffective and time consuming while walking on a loose rein has been found as an adequate barometer of a "Country" attitude, and

Whereas, Changing the word "Trot" to read "Country Trot" and implementing the above-mentioned changes will help to bring separation and identity to the Country division; Therefore, Be It

Resolved, That the AR sections contained in Subchapter AR-8 Country Pleasure Section be amended by striking out, inserting and renumbering the following:

AR135 Conduct

- Competitors enter the ring in a counterclockwise direction, at the ~~normal~~ **Country Trot**.
- Light contact must be maintained with all reins at all gaits.
- It is imperative that the horse gives the distinct appearance of being a pleasure to ride.
- All gaits must be performed with willingness and obvious ease, cadence, balance and smoothness.
- It is mandatory that horses be asked to **halt on the rail, stand quietly, back and** walk **off** on a loose rein at least one direction of the ring. A true flat walk must be demonstrated on a loose rein with horse's neck relaxed and head slightly lowered. Failure to demonstrate a true flat walk MUST be penalized.
- ~~A back is optional and may be called for on the rail or in line up.~~
- A quiet, responsive mouth is paramount.
- High action at the canter or **Country** trot must be penalized. Rider to post the trot.

8.9. Extreme speed at the canter or **Country** trot must be penalized.
