Whereas, The intent of Equitation Over Obstacles classes includes evaluating the rider's ability to interpret and respond to instruction under pressure in addition to demonstrating technical riding ability; Therefore It  Resolved, That AR288.2.b.6 be amended to include a new subsection j, with the following language added:  j. In National Championship Equitation Over Obstacles classes, the top four exhibitors shall be brought bar into the ring for a work-off at the judges' direction. Once the instructions are read aloud, exhibitors must remain in the ring and will complete the work-off individually in the test order specified by the judges. To returning four will ride in the reverse order of the judges' placings, i.e., fourth, third, second, first. Interpretation of the work-off instructions shall be considered part of the judging criteria. Questions may asked prior to the start of the work-off. Obstacles included in the work-off must have been part of the original course and must be jumped in the original direction unless otherwise specified.  Effective:  December 1, 2026, or when approved by USEF/EC		and strengthens the integrity of the equitation division; and
