Preliminaries –

CLASS CONDUCT – Classes will be judged by five judges – Arabian Breeders World Cup Scoring System (Exit-the-ring procedure):

- (a) All horses to be shown individually.
- (b) The horses shall be exhibited in chronological age order from oldest to youngest.
- (c) Each entry shall be exhibited and evaluated individually. Horse to enter ring at a trot around the entire circumference of the ring.
- (d) Following the trot, each entry shall walk to center ring, past the judges and to the rail. At the rail, the horses will return to the center of the ring/presentation area, as directed by the ring steward.
- (e) Each entry will then be exhibited as a halter horse within the center of designated presentation area. Horse to be presented for evaluation by judging panel in a controlled, yet uninhibited and/or intimidated manner. Horse shall stand squarely on all four legs and shall be shown with natural elegance and professionalism. Excessive use of

the whip and/or horses that appear intimidated or fearful of the handler WILL BE penalized by the Judging Panel, and may result in expulsion from the ring.

(f) Horse and handler to be excused from the ring at the formal request of the ring steward. Horses are to exit ring at either a controlled walk or trot towards the Entry/Exit. Handlers are requested to use extreme caution when exiting as to not inhibit the performance of any successive entry.

(g) Only one handler per horse is permitted in the ring at any one time. Handlers may present more than one horse per class.

(h) Handlers will be neatly dressed. Handlers may not wear any articles of clothing carrying any form of advertising which discloses the identification/connection of the horse they are handling or the farm, training stable or corporate sponsor represented.

(i) Judges are required to judge exhibits standing, walking, and trotting.

(j) Horses which appear late and miss their entry position will be excluded from the class.

(k) Unruly horses may be ordered to withdraw at the discretion of the judge(s). Horse becoming loose a second time will be disqualified.

(l) These classes will be recognized by the USEF but are not rated classes. As non-rated classes, they will not earn USEF points towards end of the year awards.

(m) Individual scores will be awarded by each officiating judge using the Arabian Horse Breeders Association - World Cup Scoring System™. A score of 10-20 will be awarded for each entry in the following six categories:(1) Type, (2) Head, (3) Neck & Shoulders, (4) Body & Topline, (5) Feet & Legs, and (6) Movement. The high and low score of each attribute will be dropped.

(n) After all horses are judged, the Top Twelve scoring horses will be announced, in numerical order and will progress to the Final class. No scores will be posted and/or announced until after the Finals.
