

## Qualifications – revised 9/8/21 (Draft)

1. Qualification period is the previous year plus the current year up to the close of entries. (Placings in year 2021 count towards next year's qualification period – if your placing was not previously recorded, you will need to qualify in year 2022 under the participation system)
2. Compete in any qualifying AHA Recognized show in any region (which includes Concurrent, Pre-Show, Value Show).
3. An Amateur must qualify the horse to participate in an Amateur or Amateur Owner class.
4. Compete in a recognized section, i.e. HA/AA Western Pleasure, Arabian Country English Pleasure, Arabian Hunter Pleasure, etc.
5. Compete in any recognized class within that section (Note: for Dressage, each level is considered its own section).
6. Participate in that one recognized class in that section now qualifies you to compete in as many classes within that section at any one Regional Championship Show of your choice.
  - a. Example: Participate at a qualifying show in HA/AA Western Pleasure ATR qualifies for any and as many classes in HA/AA Western Pleasure as long as you meet the definition for an Amateur, Amateur Owner, Leveling, Jr. Horse, etc. The qualification could have been earned in Region 8 but was used for the Region 6 Championship Show.
7. Participate at two (2) AHA Qualifying Shows and compete at any and as many Regional Championships in that section.
8. Equitation/Showmanship is based on the rider/handler and the rider/handler must participate in their qualifying section. Medal classes require a Medal or participate in their qualifying section.
9. Participation can also be used to qualify in Specialty classes and can be obtained through Open Shows (and placings for Working Western/Dressage/Western Dressage).
10. A National Show Commission has the right to place restrictions on cross entry into classes.
11. The USEF/EC family definition and two distinct non-family owner definition must be adhered to.
12. East Coast and Pacific Slope (Top Five), Eastern and Western Canadian Breeders (Top Six) all count as Regional Placings.
13. Participation definition:
  - a. In a class where horses compete together, participated means a horse/rider/driver/handler must have been entered, shown, and judged (perform at all required gaits both ways of the ring and remain in the ring until excused by the judge). In other words, finishing the class.
  - b. In a class where horses compete individually, participated means a horse/rider must have completed the individual requirements of the class and be eligible to receive a score.
  - c. Horses which are excused/disqualified/eliminated/received a "no score" are not considered "adjudicated".
