

Arabian Recreational Riding Program High Hour Award

2023 High Hour Award Winner

Congratulations to Debbie Canaday of Juneau, AK on winning the 2023 Frequent Rider Program (FRP) High Hour Award! She logged a total of 294 hours on her Purebred Arabian Mozambique V bred by Varian Arabians between January 1 and December 31, 2023. She is receiving an engraved desk clock to commemorate her hourly achievement.

Debbie purchased Mozes in January 2018 when he was three years old and they began their training riding on the trails along the river and jumping. Soon after Debbie introduced him to moving cows in the Mojave Desert and they continue riding today in Idaho while also competing on the National level in multiple disciplines including Western Dressage across the US and Canada.

They have spent many hours in the saddle training, riding along the trails in the backcountry, and spending time moving cows which Debbie says is one of Mozes favorite activities to do! Another one of the pair's favorite activities is visiting the local senior ladies. As Debbie and Mozes were riding around the neighborhood finding an adventure and they found some older ladies who loved to chat and feed the superstar Mozambique V carrots.

Debbie often can be found riding in a bareback pad and is still a kid at heart with Mozes and they look forward to many more adventures together as horse and rider and Mozes has turned into the perfect horse to grow older with.

Debbie certainly has put in a lot of riding time with Mozy in 2023 and have the hours to prove it! On behalf of AHA, we say congratulations again on her accomplishment and wish her the best of luck this season!

AHA would like to show our appreciation and congratulate the Top Ten High Hour Award winners for 2023.

RANK	MEMBER	LOCATION	HOURS
1	Debbie Canaday	Juneau, AK	294
