Regional Level: If fewer than nine horses are in the class, 50% rounded up will be eligible for prize money.

Sweepstakes AAOTR classes are eligible to be split into multiple age divisions (must be all age inclusive). Splitting AAOTR classes is not recommended as this reduces the Sweepstakes payout for each split. When Leveling, AAOTR class(es) are offered for a discipline, they will receive the prize money in place of the AAOTR class(es). Should multiple AAOTR classes be offered, the class with the fewest splits will be paid. No other Sweepstakes classes can be split. If they are split, they will not be eligible for prize money (including Junior Horse classes).

Please refer to Chapter 18 of the AHA Handbook for complete rules regarding the Arabian Breeders Sweepstakes Program.

Each AHA account that receives prize money must have a W-9 on file. It is possible to have two or more AHA accounts that have unique information (i.e., horses, owners, etc.). Therefore, a separate W-9 is required for each account. It is especially important for joint accounts. Payees on a joint account have the choice of which owner will assume the tax liability and file the tax return, should one be required. The only reason a W-9 will be requested is due to the fact a Tax ID is not on file for that specific account/ownership.

Please refer to Chapter 18 of the AHA Handbook for complete rules regarding payout for the Arabian Breeders Sweepstakes Program.
