PROGRAM INFORMATION

All Entries must be postmarked/electronic transaction dated by December 31.

Current AHA membership is required in order to participate in AHA Programs
Payment must be submitted with AHA In-Utero Foal Application
Entries submitted without payment are subject to late fees

BREEDING ENTRY (Deferred Billing option available.): The entry fee is $400. Every fourth Breeding Entry enrolled in the same year by the same breeder/nominator may be enrolled at one half price. The discount applies to each submission of at least four entries mailed in the same envelope by the same owner. This entry is for an unborn foal sired by a Sweepstakes Nominated Sire or out of a Sweepstakes Nominated Dam. All Breeding Entries must be enrolled in the year in which they are conceived. A Breeding Entry is eligible to win Allocated prize money in any Sweepstakes designated payback events for the lifetime of that horse. This entry category allows for eligibility to compete in the Regional and National Yearling Sweepstakes Halter classes. Under the live foal guarantee, the Breeding Entry fee may be transferred to any following year's unborn foal of any mare under the same ownership, providing a death certificate or statement signed by a veterinarian is submitted. For these purposes, a live foal is defined as a foal which stands and nurses within 30 days of parturition**.** A $200 Breeding Entry Credit may be issued if the death of the foal occurs more than 30 days after parturition but before December 31 of the foaling year. **A new AHA In-Utero Foal Application must be completed and returned with the Dead Foal Credit Voucher when you nominate a future unborn foal or nominate a horse as a Nominated Dam or Nominated Sire using the Dead Foal Credit as payment (Please see current AHA Handbook regarding specific rules and Deferred Billing Agreement requirements).** If the Breeding Entry was submitted on a Deferred Billing Agreement, the balance owning must be satisfied before any consideration of a credit will be made (ABSC 11/93).

A $300 late fee will be assessed to a Breeding Entry postmarked/electronic transaction dated from January 1 through February 15.

US NATIONAL HALTER FUTURITY (*Deferred Billing option is NOT available*.): The nomination fee is $30. An additional $45 processing fee is assessed. The National Halter Futurity is a progressive program for Arabian colts, fillies and geldings, and Half-Arabian and Anglo-Arabian fillies and geldings. Unborn foals are entered into the program and then renominated each year up until their 3-year-old year. 3-year-olds that have remained current in the program are then eligible to compete in the 3-year-old Halter Futurity Classes offered at the U.S. National Championship Show. In the event a breeding does not result in a live foal, upon presentation of a veterinary certificate stating that a mare has not produced a live foal (defined as a foal that stands and nurses within 30 days after parturition) the nominated mare's nomination fee can be applied to an In-Utero foal the ***subsequent year*** out of a mare having the same ownership. A new AHA In-Utero Foal Application must be completed and returned with the Dead Foal Credit Voucher (and the $30 Deceased Foal Replacement fee).

A late fee of $100 per horse will be assessed to US Halter Futurity nominations postmarked/electronic transaction dated from January 1 through February 15.

*Half-Arabians and Anglo-Arabians with a purebred Arabian parent must have DNA type of the horse and the horse's purebred Arabian parent placed on permanent record with the AHA Registry and the horse must have been shown to qualify as an offspring of the stated purebred sire or purebred dam through DNA type testing in order to compete in the U.S. Halter Futurity Classes at the U.S. National Championship Show. DNA testing will be done at the owner's expense and must be on file with the AHA office before the horse will be eligible to compete in the Halter Futurity Class. If the DNA is not on file at that time, the horse is ineligible to be shown, and all nominations fees will be forfeited.

DEAD FOAL CREDIT: In order to receive a Dead Foal Credit, a signed vet statement (on letterhead or official documentation from the veterinarian practice) must be submitted. A Dead Foal Credit Voucher will then be issued (provided all requirements are met). A new entry form and the Credit Voucher must be submitted to the AHA office by the entry deadline when you nominate a future foal using the Dead Foal Credit Voucher as payment. Dead Foal Credits ***DO NOT*** automatically roll over to the next year.

Nominations postmarked/electronic transaction dated after February 15 will not be accepted in the Arabian Breeders Sweepstakes or US Halter Futurity Program.

For additional program information please refer to the current AHA Handbook. **Entries that are being paid in full can also be made online at www.ArabianHorses.org**.
