**PERFORMANCE MATURITY PROGRAM INFORMATION**

***Payment must be submitted with the Performance Futurity/Maturity/Derby Enrollment Application.  
Entries submitted without payment are subject to late fees.***

**Enrollment into the program does not constitute entry into the Sport Horse National Championship Show. A separate Sport Horse National Show Entry form must be submitted with the appropriate entry fees prior to the close of entries in order for the horse to be shown in the Performance Maturity Class.**

A horse that is co-owned by two distinct non-family members **cannot** be show in Maturity AO Classes at the Sport Horse National Championship Show as per USEF AR 110.

Enrollment fees can be made in payments as per the payment schedule or can be paid in full. Payments/entries received after the indicated dates are subject to additional late fees. Entries postmarked after the original close of Sport Horse Entries will be assessed an additional \$750 late fee.

**All nomination payments are final and non-refundable.**

Any portion of a nomination payment not postmarked/electronic transaction dated by the due dates will cause that entry to be considered a late entry. There will be no refund of nomination fee, any portion of a nomination fee or processing fee.

**Substitution of horses is prohibited.**

Transfers can be made to the consecutive year for horses which are injured, provided that a written request and veterinarian statement is received within 15 days prior to the first day of the show from the recorded owner. The transfer can only be applied to the same horse with a transfer fee of \$100. Only the Performance Maturity fees will transfer from one year to the next. A new official National Show Class Entry form with applicable fees will be required the following year.

Enrollment fees into the program **will not be refunded** if the horse is not entered and/or shown in the Sport Horse National Show unless the fees are transferred due to an injury and veterinary statement as indicated above. The fees will be paid out in prize money for the intended class for that show year.

\*Half-Arabians must have DNA type of the horse and the horse's purebred Arabian parent placed on permanent record with the AHA Registry and the horse must have been shown to qualify as an offspring of the stated purebred sire or purebred dam through DNA type testing in order to compete in the Performance Maturity Class at the Sport Horse National Championship Show. DNA testing will be done at the owner's expense and must be on file with the AHA office before the horse will be eligible to compete in the Halter Futurity Class. If the DNA is not on file at that time, the horse is ineligible to be shown and all nominations fees will be forfeited.

For additional program information regarding the Performance Maturity Program, please refer to the current AHA Handbook or contact AHA at 303-696-4500, option #4.
