CHAPTER 3: CODE OF ETHICS AND SPORTSMANSHIP (EPRB)

All AHA programs and events deadlines must be met as specified, whether submitted by hand delivery, postal service, fax, e-mail, internet or other electronic means. (BOD 8/00)

ETHICS 101. PREAMBLE We believe:

1. That the noble Arabian Horse, most ancient of all breeds, a creature of beauty and an athlete of renown, has earned and deserves the company of true sportsmen;
2. That owners, breeders, handlers, and friends of the Arabian Horse have much to gain by observing the best tenets of good sportsmanship in all things pertaining to the Arabian Horse;

3. That, in addition to the basic rule of "Doing unto others as you would have them do unto you," it is desirable to define ethical practices, to delineate unethical practices, to encourage good sportsmanship and high ethical behavior, and to warn, censure or bring to public attention, and discipline those who commit acts detrimental to the best interests of the proud breed and to its good friends.
4. That it is the right and obligation of the Arabian Horse Association to set standards in matters of ethics and sportsmanship concerning the Arabian Horse;
5. That the Rules and Regulations of the Arabian Horse Association (AHA), the Canadian Arabian Horse Registry (CAHR), the Canadian Partbred Registry (CPAR), the U. S. Equestrian Federation (USEF), and Equestrian Canada (EC) shall, in all respects, be supported in our efforts to strengthen ethical and good sportsmanship concepts in the breeding, owning, handling, showing, and using of the Arabian Horse.

ETHICS 102. APPLICATION AND STRUCTURE OF THE CODE

1. All members of the Arabian Horse Association agree to and shall be bound by this Code of Ethics and Sportsmanship during their membership in the Association.
2. Any person acting in the capacity of agent or employee of a member of AHA is bound by this Code of Ethics and Sportsmanship as it relates to Arabian Horse activities. A member of AHA who is a principal or employer of any agent or employee is responsible for the agent's or employee's conduct.
3. Any owner, trainer, handler, or exhibitor who is not a member of AHA but who competes in an AHA Recognized Horse Show or other equine event by paying the single event membership fee is bound by this Code of Ethics and Sportsmanship during that show or event.
4. Any person who is acting as an agent of or is under contract with AHA to perform a job for AHA is bound by this Code of Ethics and Sportsmanship.
5. This Code consists of two parts: the Ethical Considerations and the Rules of Conduct. The Ethical Considerations are aspirational in character and represent objectives toward which every person bound by the Code should strive. The Ethical Considerations are not enforceable, but may be considered as interpretive guides in applying the Rules of Conduct. The Rules of Conduct are mandatory in character and are enforceable.

ETHICS 103. ETHICAL CONSIDERATIONS

1. In every situation, the welfare of the breed shall be paramount over all considerations. The best interests of the Arabian Horse must be the criterion in all transactions.
2. Members and their employees or agents shall at all times treat the proud breed of Arabian Horse with the kindness, respect, and affection, which the horse's long history deserves.
3. Exhibitors/riders shall support the judges and the judging system. If there is cause for a legitimate protest, exhibitors shall follow the protest procedure set forth in the rule book of the event's governing body or the Rules and Procedures of the Ethical Practice Review Board of the Arabian Horse Association.
4. Judges and stewards are responsible for a thorough knowledge, understanding, and proper application of the general rules of AHA, USEF, EC, or other governing body, as well as the specifications for each class/event that is to be judged.
5. Members and their employees or agents should be fair and honest in all transactions involving horses and should not make any false or misleading statements concerning horses offered for sale or breeding.
6. Widespread publicity will be given to this Code of Ethics and Sportsmanship by way of the AHA Handbook, magazines, conventions, through Member Organizations and other means of communication, advising, and impressing upon all whose good fortune it is to be engaged in Arabian Horse activities that the very highest standards of ethics and sportsmanship are expected of them.

ETHICS 104. RULES OF CONDUCT

Any use of AHA logos and/or symbols which implies approval, sanction, or sponsorship by AHA without written permission is prohibited.
6. Mistreatment and neglect of any Arabian Horse is prohibited. Mistreatment includes every act or omission which causes, or unreasonably permits the continuation of, unnecessary or unjustifiable pain or suffering. Neglect includes failure to provide food, water, protection from the elements, opportunity for exercise, or other care which is normal, usual, or proper for a horse's health and well being.
7. Members shall not offer a horse capable of reproduction for breeding, transfer of ownership, or lease if the horse is known to such member to be a SCID carrier, a Lavender Foal Syndrome (LFS) carrier, a cerebellar abiotrophy (CA) carrier, an Occipitoatlantoaxial malformation (OAAM) or to be affected by CA or OAAM or be a homozygous or heterozygous affected by Hyperkalemic periodic paralysis (HYPP) without disclosure of that horse's SCID, LFS, CA, OAAM or HYPP status to all parties to the transaction. 8. 10. The rules of the Arabian Horse Association (AHA), the Canadian Arabian Horse Registry (CAHR), the Canadian Partbred Registry (CPAR), the U. S. Equestrian Federation (USEF), and Equestrian Canada (EC) are hereby adopted by reference as a part of this Code of Ethics and Sportsmanship.
11. An exhibitor's intentional conduct at an equine event shall not adversely affect the exhibition or ride of any other exhibitor's horse at the event.
12. Non-winners of ribbons in any class shall remain in the ring until excused or until the ribbons have been awarded and the winners have left the ring.

13. The individual member(s) acting on behalf of a Member Organization who directly contact or employ a judge shall not show or have their horses shown before that judge in that show for which the judge was employed.
14. No one shall attempt to influence judges by telephoning, writing, sending pictures, or by any other means before or during events that the judge has been employed to adjudicate.

20. No person shall communicate or cause or initiate any communication in regard to information obtained from the AHA Commissioner's office in violation of any confidentiality Agreement which they have executed. (Res. 24-00)
21. It is unethical to transfer or assist or facilitate in the transfer of a horse with the intent to circumvent the purpose of the rules regarding ownership of horses shown in amateur and/or junior owner classes. It is unethical for any AHA member to not provide information relating to the transfer in question that is requested by the Probable Cause Panel or the Ethical Practice Review Board. (Res. 3-12)

In determining whether the transfer was unethical, the EPRB may consider among others, the following: (Res. 3-12)

- a. Horse ending up back in the previous owners name within a year of the original transfer.
- b. Horse being transferred at less than fair market value (owner to provide proof of the sales amount).
- c. The fact that prize money went to a person other than the owner or family member.
- d. The fact that the owner or family member did not pay the expenses relating to the upkeep and showing of the horse.

ETHICS 105. ALLEGED INFRACTIONS

1. Alleged Infractions of the Arabian Horse Association Code of Ethics and Sportsmanship, as adopted or amended, may be brought to the attention of the Probable Cause Panel and the Ethical Practice Review Board by filing a complaint in compliance with the Rules and Procedures for the Ethical Practice Review Board.
2. The Ethical Practice Review Board and the Probable Cause Panel shall be continued and shall be constituted and empowered as follows:

ETHICS 106. PROBABLE CAUSE PANEL

1. The Probable Cause Panel (PCP) shall consist of three members, all of whom shall be members of Member Organizations affiliated with AHA for the duration of their terms of office. One member of the PCP must be an attorney. No member of the PCP may simultaneously serve on the Ethical Practice Review Board. The AHA Executive Committee members may not serve on the Probable Cause Panel and the Executive Committee at the same time. (Res. 7-01)
2. Effective starting in 1995, as each term expires; the members of the PCP shall be elected by Convention Delegates to serve three-year rotating terms with one term expiring each year. (Res. 37-94)
3. Members of the PCP are eligible for nomination and election to an unlimited number of terms.
4. Should a vacancy on the PCP occur before the expiration of a term, the vacancy will be filled by appointment by the President of AHA and ratified by the AHA Board of Directors for the uncompleted term left vacant.

5. The members of the PCP shall elect one of their members to serve as Chair and one of their members to serve as Vice-Chair. The Chair shall preside at all meetings of the PCP. In the event the Chair is unable to chair a meeting, the Vice-Chair will preside.
6. A quorum consisting of at least two members of the PCP shall be required to convene a meeting. If a quorum cannot be convened because of conflicts of interest with any of the parties to the complaint being reviewed, the President of AHA shall appoint two temporary replacement members for the Panel to review the complaint. Meetings of the PCP can be held via conference call. All decisions shall be made by a majority vote of the PCP.
7. The function of the PCP shall be to review all ethical complaints properly filed with AHA and to make a determination whether or not there are reasonable grounds to believe an infraction of the AHA Code of Ethics and Sportsmanship exists and whether the alleged infraction, if proved, is of sufficient importance to AHA that it should go before the Ethical Practice Review Board for hearing. A copy of all complaints filed will be immediately provided to the Chair of the Ethical Practice Review Board. (Res. 37-94)

ETHICS 107. ETHICAL PRACTICE REVIEW BOARD

1. The Ethical Practice Review Board (EPRB) shall consist of nine members, all of whom shall be members of Member Organizations with AHA for the duration of their terms of office. One member of the EPRB must hold a Senior Status Arabian Judges Card. One member of the EPRB must be an attorney. 3. Members of the EPRB are eligible for nomination and election to an unlimited number of terms.
4. Should a vacancy on the EPRB occur between Annual Conventions, the vacancy will be filled by the person who received the next highest number of votes in the election held at the last Annual Convention. If there were no other person(s) on the ballot receiving votes at the last Annual Convention, the position will remain vacant until the next Annual Convention where an election can be held to fill the vacancy.
5. At the Annual Convention after the election results are known or as soon thereafter as is possible, the members of the EPRB shall elect one of their members to serve as Chair and one of their members to serve as Vice-Chair. The Chair shall preside at all meetings of the EPRB. In the event the Chair is unable to chair a meeting or a hearing, the Vice-Chair will preside. In the event the Chair or the Vice-Chair is unable to chair a meeting or a hearing, those members present will select a Temporary Chair to preside at that meeting or hearing.
6. A quorum consisting of at least five members of the EPRB shall be required to hear any matter. In the event that a quorum of the EPRB is not available to hear the matter because of conflicts of interest or other reasons, the AHA Board of Directors shall make sufficient temporary appointments so that a quorum is available. All decisions shall be made by an affirmative vote of two-thirds of the members voting, except that decisions as to procedural matters shall be made by the Chair.
7. The function of the EPRB shall be to interpret and enforce the AHA Code of Ethics and Sportsmanship in cases brought before it for hearing. Its deliberations shall include, but are not limited to, consideration of whether an offense was intentional and whether it continued after either formal or informal warning.
8. In deciding upon a remedy for unethical conduct, it shall be the general policy of the EPRB to be constructive with those who have committed unethical or unsportsmanlike-like acts, and to use its powers to prevent recurrence of the event. Probationary periods may be applied to effect discipline. Nothing in the foregoing, however, shall be construed to prohibit the strongest sanctions available against those persons found guilty of committing unethical acts or unsportsmanlike-like conduct.

ETHICS 108. RULES AND PROCEDURES

CHAPTER 10: RULES AND REGULATIONS FOR PUREBRED ARABIAN, HALF-ARABIAN, AND ANGLO-ARABIAN REGISTRATION

All AHA program and event deadlines must be met as specified, whether submitted by hand delivery, postal service, fax, e-mail, Internet or other electronic means.

MEMBERSHIP

For membership requirements refer to Chapter 7.

INTRODUCTION

These Rules and Regulations refer to the Arabian Horse Association, Inc. as the "AHA Registry" unless it is stated otherwise, or unless it can be gathered from the context that something else is meant. The term "Registry" also refers to the Registrar of the AHA Registry and to appointed representatives.

The Registration Commission may prescribe whatever procedures necessary to carry out these Rules and Regulations.

The principal objective of the AHA Registry is to facilitate the preservation and improvement of purebred Arabian, Half-Arabian and Anglo-Arabian horses. In furtherance of that objective, the AHA Registry maintains an official registry of purebred Arabian, Half-Arabian and Anglo-Arabian horses and administers the supplemental identification program as a registration requirement for purebred Arabian race horses. The AHA Registry may refuse to register any horse or to issue a Certificate of Registration for Racing if such registration or issuance is not in conformity with these Rules and Regulations or, in the reasonable judgment of the AHA Registry, will not aid, promote and foster the objectives of the AHA Registry as stated in its Articles of Incorporation.

Any member, and any person signing any portion of a document required for the registration of a horse, the issuance of a Certificate of Registration for Racing, or the transfer of a Certificate of Registration and any person who has a Certificate of Registration transferred into their ownership, agrees to follow these Rules and Regulations, including revisions as made from time to time, and to be bound by them.

It is the responsibility of the person who seeks to register a horse to be aware of the applicable requirements for such transactions at the time the submittal or request is made.

REG 117. NAMES

No horse will be registered by a name which has exactly the same spelling as a name already registered, which has numerical prefixes or suffixes, or which has the suffix "Sr." or "Jr.". The only valid characters are capital letters A through Z, dash and space. Punctuation, apostrophes, and diacritical markings or symbols may not be used. Names may not contain more than 21 total characters or be composed of more than four parts.

REG 119. CERTIFICATE OF REGISTRATION

1. A Certificate of Registration is a certification of information contained in the records of the AHA Registry.
2. One Certificate of Registration will be issued for a registered horse. This certificate may be a standard Certificate of Registration, or may be a Certificate of Registration for Racing. For purposes of these rules, both the standard Certificate of Registration and the Certificate of Registration for Racing will be referred to as the Certificate of Registration. The AHA Registry will issue a standard Certificate of Registration unless the recorded owner requests a Certificate of Registration for Racing and fulfills all requirements as described in REG 152-153 or REG 128-135.
3. The original Certificate of Registration will be issued in the name of the recorded owner of the dam at the time of foaling, with the exception of embryo/oocyte transfer registrations, and will display the breeder to be the recorded owner at the time the dam was bred. The recorded owner of the dam at the time of foaling may transfer ownership of the foal by completing and filing with the AHA Registry a Transfer for Eligible but Unregistered Foal form. In that event, the Certificate of Registration will be issued in the name(s) of the person(s) designated in accordance with the terms of the Transfer form. The recorded owner of the dam at the time she was bred may designate another person to be the breeder of a specific foal by completing and filing with the AHA Registry an Assignment of Breeder Designation form. In that event, the Certificate of Registration will display the breeder to be the person or persons designated in accordance with the terms of the assignment form.

REG 120. AUTHORIZATIONS

Any recorded owner may authorize another person to sign AHA Registry-related documents on such owner's behalf. Such an authorization will be recognized when the appropriate form has been completed and filed with the AHA Registry.

EMBRYO/OOCYTE TRANSFER

REG 121. REQUIREMENTS FOR EMBRYO/OOCYTE TRANSFER FOR PUREBRED ARABIANS

Embryos/oocytes collected in the United States or Mexico from a purebred Arabian mare may be transferred to a recipient mare, and foals resulting from embryo/oocyte transfer may be eligible for registration under REG 101., if the following requirements are met:

1. An Embryo/Oocyte Transfer Permit has been issued for the mare to be used as a donor for embryo/oocyte transfer. The permit will be effective until the recorded ownership of the donor mare changes or the donor mare is exported. A permit may be issued for a donor mare if the following requirements are met:
 - a. An application for an Embryo/Oocyte Transfer Permit, on a form provided by the AHA Registry, has been completed, signed by the recorded owner (or by the person whom the recorded owner has authorized in writing to sign the application), and filed with the AHA Registry;

- b. The DNA type of the donor mare has been placed on permanent record with the AHA Registry; and
 - c. The required fee has been paid.
2. If an Embryo/Oocyte Transfer Permit has not been issued by the AHA Registry prior to the collection and implant of an embryo/oocyte, the recorded owner of the donor mare must pay a Late Permit Fee, and may be charged for any reasonable costs and expenses that the AHA Registry incurs in investigating the accuracy of the embryo/oocyte transfer, and may also be subject to the penalties provided by REG 138.
 3. A valid Embryo Transfer Permit is required to purchase Embryo Transfer Certificates. An Embryo Transfer Certificate is required to register a purebred Arabian foal that is the result of embryo transfer. An Embryo Transfer Certificate may be issued only to the recorded owner of a mare at the time she was bred to the reported sire and will be issued only if the following requirements are met:
 - a. An Embryo Transfer Permit has been issued to the recorded owner of the mare and is effective at the time the Embryo Transfer Certificate is applied for;
 - b. An application for an Embryo Transfer Certificate, on the appropriate form provided by the AHA Registry, has been completed, with original signatures of the recorded owner of the donor mare at the time of breeding and the recorded owner of the sire at the time of breeding (or a properly signed and valid Transported/Stored Semen Service Certificate if applicable), and filed with the AHA Registry; and
 - c. The required fee has been paid;
 4. A horse that is the result of an embryo/oocyte transfer may be eligible for registration if REG 101., and the following requirements are met:
 - a. An Embryo/Oocyte Transfer Permit for the donor mare has been issued; and
 - b. An Embryo/Oocyte Transfer Registration Application, on a form provided by the AHA Registry, has been completed, signed by the appropriate recorded owner(s) (or by the person whom the recorded owner has authorized in writing to sign the application), and filed with the AHA Registry;
 - c. A properly issued and valid Embryo Transfer Certificate accompanies the registration application.
 5. The Certificate of Registration will be issued in the recorded ownership of the person(s) identified as the horse owner(s) on a properly completed Embryo Transfer Registration Application.

REG 122. EMBRYO/OOCYTE TRANSFER FOR HALF-ARABIANS AND ANGLO-ARABIANS

Embryos/oocytes collected in the United States or Mexico from a mare may be transferred to a recipient mare, and foals resulting from embryo/oocyte transfer may be eligible for Half-Arabian registration under REG 102 or Anglo-Arabian registration under REG 103., if the following requirements are met:

1. Both the mare and stallion must have blood type or DNA types on file with AHA prior to the registration of the foal.
2. Upon registration of the foal, a current blood typing or DNA testing fee must be submitted for a blood type or DNA test verification of parentage of the foal. In addition to the applicable section above, the following requirements must also be met:

3. The horse was resident in the United States or Mexico on the date of sale indicated; and
4. The transfer fee has been paid.

REG 126. TRANSFER WITHOUT SIGNATURE OF RECORDED OWNER

Whenever legal title to a registered horse passes to another by reason of death of the recorded owner, by reason of foreclosure of any lien or by any order or decree of court, or otherwise by operation of law, the AHA Registry may transfer the registration of such horse to the new owner:

1. Upon order of a court of competent jurisdiction or other satisfactory proof of authority for the transfer;

3. Upon satisfaction of such other requirements as may be defined by the AHA Registry.

The recorded owner may request a change of the horse's name provided the horse has no registered progeny, is not an imported animal, has never been exported, has not received any points in previous IAHA or AHA programs or competitions, has not been issued a Certificate of Registration for Racing and does not have any recorded results in the OEIP Program or Arabian Community Shows (ACS). The Certificate of Registration must be submitted, along with a written request including the signature of the recorded owner, and the name change fee. 1. Be in writing;
2. State all grounds and reasons upon which the applicant relies for the assertion that the horse should be registered; and
3. Be received by the AHA Registry within 45 days after the mailing of the notice of denial of registration.

HEARING

4. If a request for a hearing is received in accordance with this Article, a hearing will be held as provided by REG 139. The applicant seeking registration of a horse will have the burden of demonstrating to the reasonable satisfaction of the Hearing Board that the horse qualifies for registration and that a good faith effort had been made to comply with AHA Registry rules relating to registration.

DECISION

5. If no request for a hearing is made in accordance with this Article, the denial of registration will be final. If a request for a hearing is made in accordance with this Article, a hearing will be held and the Hearing Board will determine whether the horse will be registered. The decision of the Hearing Board will be final.

REG 137. CANCELLATION OF REGISTRATION

PROCEDURE TO CANCEL REGISTRATION

1. The AHA Registry may propose to cancel the registration of a horse if it finds that there are reasonable grounds to believe:
 - a. The horse does not meet the requirements for registration; or
 - b. A horse identified as the subject of a Certificate of Registration is not the subject of that certificate.
2. The AHA Registry will advise the recorded owner in writing of any proposal to cancel the registration of a horse and the reasons supporting this proposal.
3. At the time of issuing a proposal for cancellation or at any time prior thereto when the Registrar finds reasonable grounds for such cancellation, the Registrar may temporarily suspend the Certificate of Registration of such horse, transfers of the Certificate of Registration for such horse and for such horse's progeny, and applications for registration of progeny of such horse, pending a decision made in accordance with this Article.
4. If a temporary suspension is imposed, the recorded owner of the horse will be notified in writing.

5. Be in writing;
6. State all grounds and reasons why the registration of the horse should not be cancelled; and
7. Be received by the AHA Registry within 45 days after the mailing of the proposal for cancellation of registration.

After investigation, the Registrar will decide whether possible violations can be satisfactorily resolved by agreement for corrective action with the person involved or whether a Notice of Charges should be issued.

NOTICE OF CHARGES

2. After investigation, if the Registrar finds reasonable grounds to believe that any person has violated these Rules and Regulations, or has engaged in any misrepresentation, misconduct, or any other act involving in any adverse manner the purpose or good name of the AHA Registry, the Registrar will mail to such person a Notice of Charges stating the wrongdoings alleged to have been committed by such person. The charged person may submit a written answer to the charges within 45 days after the Notice of Charges is mailed. The Registrar may informally resolve any matters relating to a Notice of Charges prior to any hearing scheduled under this Article by agreement with the charged person.

TEMPORARY SUSPENSION

3. After investigation, if the Registrar issues a Notice of Charges to a person, the Registrar may also temporarily suspend that person's use of AHA Registry privileges pending a hearing and decision by a Hearing Board, if the Registrar finds that such suspension is necessary for the protection of third parties or of the AHA Registry's purpose and good name. Notice of such temporary suspension will be mailed to the charged person.

HEARING

4. After a Notice of Charges is given, the AHA Registry will schedule a hearing as provided by REG 139. The charged person will be notified of the date and place of the hearing by mail. The AHA Registry will have the burden of proving all charges by a preponderance of evidence. The charged person will have the burden of proving any and all excuses for non-compliance and mitigating circumstances by a preponderance of evidence.

DECISION

5. The Hearing Board will determine whether the charged person is guilty or not guilty of any or all of the charges. If the charged person is found guilty, the Hearing Board may impose penalties provided for in this Article. If the charged person is found not guilty, the charges will be dismissed. The AHA Registry will notify the charged person of the Hearing Board's decision by mailing a copy of the decision to the charged person. Within 20 days after the mailing of the decision of the Hearing Board, the charged person may file a written request with the AHA Registry for changes in the decision. The Hearing Board will rule on the request and will, at its discretion, do so with or without a hearing. The decision of the Hearing Board will be final.

PENALTIES

6. The Hearing Board may impose such penalties as it deems appropriate, including: denial of all or part of the AHA Registry privileges; expulsion or suspension from the AHA Registry (if such charged person is a member); refusal by the AHA Registry to approve registration applications signed by or submitted by or on behalf of the charged person and all transfers of registration for horses owned on record by the charged person; public censure; or private censure. The Hearing Board may also impose any other penalty or restrictions on exercise of the privileges of the AHA Registry which it deems proper in furtherance of AHA Registry objectives as stated in the Articles of Incorporation.

AGENTS AND EMPLOYEES

7. If any person, acting as an agent of an owner or having horses owned by another in his care, custody or control, is found to have violated these Rules and Regulations, the Hearing Board may proceed against that person as provided for under these Rules. In addition, the Hearing Board may direct that the AHA Registry refuse to accept any applications for registrations, applications for Certificates of Registration for Racing, or transfers of Certificates of Registration for horses which are in such charged person's care, custody or control.

PUBLICATION

8. Notice of the imposition of any penalties and of any temporary suspension of privileges of any person, other than private censure, may be published in the *Arabian Horse Life* and posted on the AHA Website, and also in not more than three publications devoted primarily to the Arabian Horse.

3. Persons who have been given notice of a hearing will be afforded reasonable opportunity to appear in person or by counsel to present evidence in their behalf and to hear and refute evidence offered against them. The common law or statutory rules of evidence will not apply at the hearing, but the Hearing Board will determine the admissibility of evidence which is offered and the weight to be given to the evidence admitted.

DECISION

4. The Hearing Board will make its decision following the hearing. The decision of the Hearing Board will be final and will be communicated in writing to the parties to the hearing.

REG 140. RECORDS

Any person subject to these Rules and Regulations may be required to supply such information and documents as the AHA Registry may determine to be necessary with respect to the registration of horses, the issuance of Certificates of Registration for Racing, or the transfer of Certificates of Registration. Complete and accurate records of breeding (hand breeding, artificial insemination and pasture breeding), collection and shipment of semen, insemination using fresh cooled or frozen semen, embryo/oocyte transfer, foaling and ownership must be kept in permanent form by owners of horses and these records must be available at all

reasonable times for inspection by representatives of the AHA Registry. If the AHA Registry determines that no systematic and satisfactory plan for keeping records is in use, or if no records are made available upon request, the AHA Registry, after requesting compliance in a written notice mailed to the person, may, for up to 45 days, temporarily refuse applications for registrations, applications for Certificates of Registration for Racing, and transfers of Certificates of Registration from such owner until the records are complete. If, during that 45 day period, the owner fails to demonstrate that he has complied with the AHA Registry's request for keeping and maintaining systematic and satisfactory records, the AHA Registry may proceed against the owner under REG 138.

REG 141. APPLICATION OF COLORADO LAW FOR NON-LIABILITY OF DIRECTORS AND OFFICERS

The AHA Registry, its Board of Directors, Officers, Members of Commissions and Committees, Members of Hearing Boards, Employees, Representatives and Agents will attempt to obtain true and complete information in connection with registration of horses, issuance of Certificates of Registration for Racing, transfers of Certificates of Registration, hearings, and all other matters relating to AHA Registry activities. Except for proven intentional wrongdoing, neither the AHA Registry nor its Directors, Officers, Commission Members, Committee Members, Hearing Board Members, Employees, Representatives or Agents will be liable in any way, whether in damages or otherwise, for the issuance of any Certificates of Registration, for the transfer of any Certificates of Registration, for the refusal to issue a Certificate of Registration, for the refusal to issue a Certificate of Registration for Racing, for the issuance of any pedigree statements, for the refusal to transfer any Certificate of Registration, for the cancellation of any Certificate of Registration, for any disciplinary proceeding brought against or penalties imposed on any member or other person, or for any other activities engaged in, by, or on behalf of the AHA Registry. In addition, without limiting the application of the foregoing, the internal laws of the State of Colorado shall determine and control the liability of any Director of the AHA Registry or of any other person acting on a voluntary basis without compensation for the benefit of the AHA Registry.

REG 142. PRIVILEGES AND RESPONSIBILITIES OF MEMBERS AND NON-MEMBERS

1. All members of the AHA Registry and all non-members who utilize the privileges of the AHA Registry (for example, by signing any portion of any document required for the registration of a horse, for the issuance of a Certificate of Registration for Racing or for the transfer of a Certificate of Registration, or by requesting that a Certificate of Registration be transferred into their ownership) agree to be bound by, obey and follow all provisions of these Rules and Regulations, as amended from time to time, and all decisions and actions of the AHA Registry. The term "AHA Registry" as used in this Article refers to the Arabian Horse Association its Board of Directors, Officers, Commissions, Committees, Hearing Boards, Employees, Representatives and Agents.
2. All members of the AHA and all non-members who in any way utilize the privileges of services of the AHA agree that determination of contested issues by a Hearing Board appointed pursuant to this Chapter 10 shall be the sole, final and exclusive remedy available to them with respect to disputes arising from these Rules or from the actions of the AHA. No action may be commenced in any court with respect to such contested issues and no appeal from determinations of a Hearing Board may be taken in any court. No member of the AHA or any non-member who in any way utilizes the privileges or services of the AHA may join the AHA in any court action concerning disputes concerning horse ownership or claimed rights to transfers of recorded ownership. In the event any such member or non-member joins the AHA in any such actions or appeals and the AHA substantially prevails in that matter, the court shall award to AHA its costs and expenses, including reasonable attorney fees.

Any action to which the AHA is joined by a third party may be brought only in the United States District Court for the District of Colorado or in the District Court for the County of Arapahoe, State of Colorado and no such action may be brought in any other court.

Unless the context otherwise dictates, the term AHA, as used in this Article, means the AHA, its officers, directors, employees, agents, Commissions and

EXPORTATION OF HORSES

Except for horses sent to Canada as set forth in REG 145., the Certificate of Registration must be returned to the AHA Registry for application of an Exportation Endorsement before a horse is sent, for any reason, out of the United States or Mexico. Passports will be issued with all export requests (see current Fee Schedule).

REG 144. FOR PUREBRED ARABIAN HORSES SENT FROM THE UNITED STATES OR MEXICO TO A COUNTRY OTHER THAN CANADA

An Exportation Endorsement may be issued if the following requirements are met:

1. The horse is in the United States or Mexico at the time the Exportation Endorsement is requested;
2. The Certificate of Registration has been returned to the AHA Registry. If the horse has been sold and the sale has been completed, the transfer portion of the certificate must be completed, or a Transfer of Race Horse Form must accompany the Certificate of Registration for Racing, and a separate transfer fee will be required. If no transfer is to be recorded (e.g. lease, sale on time payment, exhibition), the transfer portion should be left blank and the Certificate of Registration will remain in the name of the recorded owner;
3. The exporter has provided the destination country and the anticipated date of exportation;
4. The exporter has submitted color photographs showing front, rear, and side views of the horse's markings to verify identity. The horse's markings must be congruent with the AHA Registry's records; and
5. The required fee has been paid.
6. Once an Exportation Endorsement has been issued, or if the AHA Registry becomes aware from other sources that a horse is not in the United States or Mexico, no transfers of ownership, color or marking changes will be recorded after the date of exportation. No duplicate or replacement Certificates of Registration will be issued until the horse returns to the United States or Mexico and its record is reinstated through the reimportation procedure.

REG 145. FOR PUREBRED ARABIAN HORSES SENT FROM THE UNITED STATES OR MEXICO TO CANADA

An Exportation Endorsement will not be issued for a horse sent to Canada from the United States or Mexico. Such a horse may be eligible for registration with the Canadian Arabian Horse AHA Registry as a United States Transfer. If the horse is a stallion to be used for breeding in Canada, or is a mare that foals in Canada, the horse must be registered with the Canadian Arabian Horse Registry.

REG 146. EXPORTATION OF SEMEN FOR PUREBRED ARABIANS

Semen collected within the United States or Mexico may be exported if the following requirements are met:

1. A Semen Transportation Permit has been issued for the stallion. The permit will be effective until the recorded ownership of the stallion changes or the stallion is exported. A permit may be issued for a stallion if the following requirements are met:

 - b. The DNA type of the stallion has been placed on permanent record with the AHA Registry; and
 - c. The required fee has been paid.

2. If a Semen Transportation Permit has not been issued by the AHA Registry prior to the collection and storage, or the collection and exportation, of semen from a stallion, the recorded owner of the stallion at the time the semen was collected must pay a Late Permit Fee, and may be charged for any reasonable costs and expenses that the AHA Registry may incur in investigating the circumstances, and may also be subject to the penalties provided by REG 138.
3. Stallion owners are advised to become familiar with the appropriate rules of the destination country concerning the transport and use of semen imported into the destination country, and the registration of foals in the foal's birth country.

REG 147. REIMPORTATION OF PUREBRED ARABIAN HORSES

When a horse registered in the AHA Registry's records has been exported, and then is reimported to the United States or Mexico, that horse's record must be reactivated. The AHA Registry will reactivate the horse's record and issue a new Certificate of Registration provided the necessary requirements are met.

The provisions of this Article do not apply to horses sent from Canada to the United States or Mexico. Horses sent to the United States or Mexico from Canada are eligible for registration only under REG 150-151.

REG 148. PUREBRED ARABIAN HORSES EXPORTED WITH AN EXPORT CERTIFICATE OR AN EXPORTATION ENDORSEMENT ISSUED BY THE AHA REGISTRY

The AHA Registry may reactivate the horse's record and issue a new Certificate of Registration if the following requirements are met:

1. The original registration certificate issued by the exporting source registry must be submitted to the AHA Registry. If the horse was exported but never registered in another stud book, the original Certificate of Registration issued by the Arabian Horse Registry of America, Inc. or the Arabian Horse Association, Inc. and Export Certificate (or the original registration certificate with Exportation Endorsement affixed) must be submitted to the AHA Registry;
2. The foreign recorded owner at the time of export is shown on the original registration certificate issued by the exporting source registry. If the foreign recorded owner at the time of export is not shown on the original foreign registration certificate, a separate document issued by the exporting source registry showing this information must be submitted to the AHA Registry. If the importer and the foreign recorded owner at the time of export are not the same, then a document(s) that evidences an unbroken chain of ownership must be submitted;
3. The importer has submitted color photographs showing front, rear, and side views of the horse's markings. The horse's markings must be congruent with markings shown in the AHA Registry's records. If necessary, the horse may be inspected by an AHA Registry representative to verify its identity;
4. The importer has provided the date the horse was reimported to the United States or Mexico;
5. The original Certificate of Registration issued by the Arabian Horse Registry of America, Inc. or the Arabian Horse Association, Inc. and the Export Certificate (or the original certificate with the Exportation Endorsement affixed) has been returned to the AHA Registry, if available; and
6. The required fee has been paid.

REG 149. PUREBRED ARABIAN HORSES EXPORTED WITHOUT AN EXPORT CERTIFICATE OR AN EXPORTATION ENDORSEMENT ISSUED BY THE AHA REGISTRY

The AHA Registry may reactivate the horse's record and issue a new Certificate of Registration if the following requirements are met:

1. The original registration certificate issued by the exporting source registry must be submitted to the AHA Registry. If the horse was exported but never registered in another stud book, the original Certificate of Registration issued by the Arabian Horse Registry of America, Inc. or the Arabian Horse Association, Inc. must be submitted to the AHA Registry;
2. The foreign recorded owner at the time of export is shown on the original registration certificate issued by the exporting source registry. If the foreign recorded owner at the time of export is not shown on the original registration certificate, a separate document issued by the exporting source registry

Using this system, all classes will be judged by one judge, and those placings shall prevail.

COMP 602. TWO JUDGE TOTAL POINT/SCORE SYSTEM

1. Using this system, all classes will be judged by two judges. These two judges are designated as the Number One Judge and the Number Two Judge in the prize list.
2. Each judge will judge independently.
3. Scores from both judges will be added together to give the total score for that horse. The horse with the highest total score will be named Champion; the horse with the second highest total score will be named Reserve Champion, etc., until all placings have been filled. (Refer to COMP 812 for Sport Horse In-Hand and Under Saddle)
4. The Number One Judge will call the gaits in all performance classes.
5. The judges' cards will be posted.

6. In the event of a tie on the total score for Champion, Reserve, or the last place of the placings, the Number One Judge's card will be consulted to break the tie. The horse placing highest on the Number One Judge's card will place above the other horses in the tie. For purposes of breaking ties, a horse appearing on the Number One Judge's card places above those not on the other card.

COMP 603. THREE JUDGE TOTAL POINT SYSTEM

1. Using this system, all classes will be judged by three judges. These three judges are designated in the prize list as the Number One Judge, the Number Two Judge, and the Number Three Judge.
2. Each judge will judge independently.
3. Each placing will have a point value as established by the Show Committee. Scores earned by each horse from all judges will be added together to give the total score. The horse with the highest total score will be named Champion; the horse with the second highest score will be named Reserve Champion, etc., until all placings have been filled.
4. The Number One Judge will call the gaits in all performance classes.
5. The judges' cards will be posted.
6. In the event of a tie on total score for Champion or Reserve to the last place, the Number One Judge's card will be consulted to break the tie. The horse placing highest on the Number One Judge's card will place above the other horses in the tie. If the tied horses do not appear on the Number One Judge's card, the Number Two Judge's card will be used to break the tie in the manner described above. The Number Two Judge's card will be used to break ties only after all possible ties have been resolved using the Number One Judge's card. For purposes of breaking ties, a horse appearing on a judge's card places above those not on the other cards.

COMP 604. THREE JUDGE SYSTEM (Res. 23-06)

1. Using this system, all classes will be judged by three judges. These three judges are designated as the Number One Judge, the Number Two Judge and the Number Three Judge in the Prize List.
2. Each judge will judge independently.
3. Each placing will have a point value according to the Three Judge System. Scores earned by each horse from all three judges will be added together to give the total score for each horse. The Champion and Reserve Champion will be selected as follows:
 - a. Only the first place horse on each of the three judge's cards will be a candidate for Champion. If the same horse appears first on two or more of the judge's cards, that horse will be named Champion. If different horses appear on each of the three judge's cards, the one with the highest total points will be named Champion. A tie on points will be resolved by the placing on the number one judge's card, and then on the number two judge's card, and then on the number three judge's card as circumstances dictate under this system.
 - b. After the Champion has been determined, the remaining first place horses, and the horse or horses placing second below a first place for the Champion on a judges card used for the Champion placing, are the only candidates for Reserve Champion. If the same horse appears first on a judge's card and second below a first place for the Champion on a judge's card used for the champion placing (or two or more second placings as herein described), such horse will be named Reserve Champion. If no horse fits within the criteria stated in the preceding sentence on two or more of the judges' cards, the horse with the highest total points after the Champion has been named will be named Reserve Champion. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.
4. After the Champion and Reserve Champion have been determined, the placing of the remainder of the class will be based on points with the highest point total placing highest in the class until all placings required have been determined. A tie on points will be resolved by the fall of the cards as stated in the last sentence of a. above.
5. The Number One Judge will call the gaits in all performance classes.

- The judges' cards will be posted.

COMP 605. EUROPEAN JUDGING SYSTEM

- A European Judging System may be utilized at any AHA Recognized Show (except Regional & Nationals) as long as it includes the following basic elements:
 - Uses one to five judges. The system requires that the judge(s) scores be announced after each horse is evaluated. The placing in each class will be based on the total score for each horse. The score for type will be utilized as the first tie breaker.
 - The Number One Judge's card will break ties not decided by the type score. Subsequent judges' cards (in numerical order) will be utilized to break ties if the tie is not resolved by the Number One Judge's card.
 - This system may or may not be utilized in Championship classes.
 - Shows may utilize a European Judging System to select Top Ten and Champion and Reserve Champion.

COMP 606. MAJORITY OPINION SYSTEM (MOS) (BOD 11/95)(Res. 45-00)

Utilized for Arabian Breeds Challenge Cup (UPHA)

- The Majority Opinion System (MOS) is a method of scoring judges cards for a multi-judge panel where each judge has the power of one full vote to place all competitors in a class. Final placings are scored by at least a two-thirds majority of those votes favorable to each place being awarded. All judges tie the same number of entries per class, that number depending on the number of entries in the class.
- Using this system, all classes will be judged by three judges. These three judges and their cards are designated as Number One (A), Number Two (B) and Number Three (C).
- The Number One (Call) Judge is appointed in rotation and the three judges rotate their positions in the ring for each class.
- Each judge will judge independently with no conferring (except in the presence of the Ringmaster when a workout is to be called) until the cards are handed in.
- Ties are resolved by the two-thirds majority vote opinion of the three judges.
- The United Professional Horsemen's Association (UPHA) Arabian Breeds Challenge Cup will resolve a three way identical tie for first place by a mandatory workout of the tied exhibitors. If the tie is not resolved after the workout, the class is determined by the Fall of the Cards.
- The judges cards will be posted.
- A computer can be utilized during the show.

COMP 607. ARABIAN SCORING SYSTEM (Res. 11-06)

- When adjudicating Breeding/In-Hand classes judges may utilize the "Arabian Scoring System". (Res. 7-17) The various attributes of the horse, which may include but are not limited to: Arabian Type and Presence, Head, Neck & Shoulder, Body & Substance, Conformation, Legs & Feet, Quality & Movement and Suitability as a Breeding Animal will be scored. There will also be a penalty category for rule infractions, poor manners, undue stress or inhumane treatment. The horses shall be ranked based on a total numerical score. Ties for Arabian breeding classes will be broken first by the highest total Arabian Type Score, second by the highest total score for Movement, third by the highest total Conformation score, and finally by call judges card. Ties for Arabian gelding classes will be broken first by the highest total Conformation score, second by the highest total score for Movement, and finally by call judges card. Ties for Half-Arabians/Anglo-Arabians will be broken first by the highest total Conformation score, second by the highest total score for Movement, and finally by call judges card. In a multiple judge system the same tiebreakers will be used. If a tie still remains the call judge's card shall break the tie. Each judge(s) scores may be announced immediately following the presentation of the horse. Scores must be posted within an hour of the end of the session in which the final section of the class was held. The "Arabian Scoring System's" composition, format and scoring procedures described herein may be modified by the AHA Education and Evaluation Commission.

PERFORMANCE HALTER (Res. 10-15)

- Shows may use either "In the Ring" or "Exit the Ring" procedure as identified in the Halter section of the Arabian Division in USEF/EC.

- For Purebred Performance Halter for Colt/Stallion, Filly/Mare, and Gelding classes, emphasis is placed in the following order: Athletic Structure; Breed type; Quality, Balance and Substance; Neck and Shoulder; Back, Loin and Hip; Legs and Feet; Movement.
- For Half-Arabian/Anglo-Arabian Performance Halter for Filly/Mare, and Gelding classes, emphasis is placed in the following order: Athletic Structure; Quality, Balance and Substance; Neck and Shoulder; Back, Loin and Hip; Legs and Feet; Movement.
- See the Subchapter for Performance Halter Classes in the Arabian Division of USEF/EC for additional requirements.

COMP 608. REGIONAL SCORING SYSTEMS

- All Regional Championship Shows, Pacific Slope Championship and East Coast Championship are required to use the AHA Approved Majority Opinion System (MOS) Scoring System in all applicable classes. (COMP 606) (Res. 45-00, Res. 31-07) Exception: Breeding/In-Hand classes, Regional Horse Shows that had 250 horses or less (as determined from the previous competition year) may choose to use Two (2) Regional/National level judges utilizing the Two Judge Total Point/Score System of scoring (COMP 602) and Regional Horse Shows that had 150 horses or less (as determined from the previous competition year) may choose to use One (1) Regional/National Judge. (Res.49-12) (Res. 7-17)

(Res. 45-00, Res. 31-07) (BOD 5/02) (Res. 49-12)
- With the exceptions of COMP 608.1 and 608.2 all other Regional Championship classes, Pacific Slope Championship classes and East Coast Championship classes must use three judges (Res.45-00, Res. 31-07). Eligibility for a Regional Show to utilize the Two Judge or One Judge would be based on the horse numbers from the previous year's Regional Show. (Res. 49-12)
- AHA shall train and supply to the Regional Shows, technicians proficient in the use of the Majority Opinion System (MOS) (Res. 45-00) to score the shows. With the exceptions outlined in COMP 608.1 and 608.2, Show Management may elect to combine the duties of scorer with the duties of Ring secretary and/or announcer. (Res. 49-12)
- Breeding/In-Hand classes at the Regional level may utilize the scoring systems outlined in COMP 601,602, 604, 606 or 607. If the "Arabian Scoring System" is utilized, the final placings for Champion, Reserve Champion and Top Five will be determined by the Majority Opinion System (MOS). The score cards will be turned into placings and in turn run through the Majority Opinion System (MOS) to determine the final outcome of the Championship class. (Res. 11-06) See COMP 815 for class procedure for comparative judging. (Res. 7-17)

COMP 609. NATIONAL SCORING SYSTEMS

- All National Championship Shows are required to use the AHA approved Majority Opinion System (MOS) (Res. 45-00, Res. 31-07) Scoring System in all applicable classes. (COMP 606)

For comparative judging, see COMP 815 for class procedure. (Res. 7-17)
- AHA shall train and supply to the National Shows, technicians proficient in the use of the Majority Opinion System (MOS) (Res. 45-00, Res. 31-07) to score the shows.

- When utilizing a five judge panel, all Breeding/In-Hand classes judges will use the "Arabian Scoring System" in the qualifying sections. See USEF/EC rules. For the final comparative Breeding/In-Hand Championships, judges' individual score or placing cards will be given to show management for tabulation. Final placing shall be determined by combining all five judge's cards using the table below: (Res. 7-17)

1 st place = 120	4 th place = 78	7 th place = 45	10 th place = 21
2 nd place = 105	5 th place = 66	8 th place = 36	
3 rd place = 91	6 th place = 55	9 th place = 28	

- In the event of a tie, Judge no. 1 is the first tie-breaker; if judge no. 1 did not use any of the tied horses, then judge no. 2 becomes the tie-breaker judge; if judge no. 2 did not use any of the tied horses, then judge no. 3 is used, etc., until the judge is found that used at least one of the tied horses.
 - This method, and only this method, is used to break all ties in the Breeding/In-Hand finals.
 - For comparative judging, see COMP 815 for class procedure.
- High/Low Elimination System (Res. 23-03): The Reining Horse, Working Cow and Trail Horse Classes at the U.S. National Championship Show will use the High/Low Elimination System to score each class. (BOD 11/08) (Exception 609.6)
 - One high score and one low score from the judges of each class will be eliminated (Reined Cow is a total of both phases) and the three remaining scores will be totaled to determine the placings in the class.
 - To offset the cost of the additional two judges, a Judge's Fee may be assessed to each entry determined by the U.S. National Show Commission. The Working Western Committee will provide input for the judge's fee on the Working Western classes.
 - The method of scoring Breeding/In-Hand will be designated in the Omnibus for each National Championship Show. (Res. 7-17)

COMP 8 - PROCEDURES FOR CLASSES - SCORING - JUDGING & DIVIDING

COMP 801. GENERAL INFORMATION

GENERAL

1. A class is composed of all of its sections, including Preliminaries, Eliminations, Semi-Finals, Semi-Final/Final, and Final.

REGIONAL

2. For procedures regarding scoring and judging Regional Championship class sections use the guidelines in this Section 8. Keep in mind that a Top Five (not a Top Ten) is to be selected (**Exception:** Yearling Breeders Sweepstakes classes issue a Top Ten for qualifying purposes and a Top Five for payout purposes – Refer to 801.2.b). Regional Shows may elect one of the following and shall clearly state in their Regional Prize List whether an entire Top Five or 50% of the class rounded up method shall be used. (Res. 20-03)

- a. Top Five Awards will be given to equal one-half of the class rounded-up not to exceed five of those competing at the closing of the gate at the beginning of the class for all classes shown as a group and all those who pass through the gate in individual activity classes. (e.g., a class of seven horses would be eligible for only four Top Fives.) The highest placing exhibitor in the Top Five shall be Champion, and the next highest shall be named Reserve Champion (provided more than two entries are exhibited).
- b. Top Five Awards will be given in all classes regardless of how many entries are competing at the close of the gate. Arabian Breeders Sweepstakes pay-out and points awarded in the Horse Achievement Award, Amateur Achievement Award, High Point Horse Achievement Award and High Point Amateur Achievement Award will be given to those horses enrolled in these programs equal to 50% of the class rounded up not to exceed five of those competing at the closing of the gate at the beginning of the class for all classes ridden as a group and all those who pass through the gate in individual activity classes (e.g. A class of seven horses would be eligible for only four pay-outs even though a Top Five would be awarded. (Res. 20-03) The highest placing exhibitor in the Top Five shall be Champion, and the next highest shall be named Reserve Champion.
- c. A sixth (6th) place (Reserve) horse shall be selected, but not announced, in case there is a disqualification.

NATIONALS

3. A Champion and Reserve Champion plus eight (8) additional unranked awards shall be awarded in each National Class to make a Top Ten (and if ten or fewer, all exhibitors will be awarded a Top Ten). Refer to COMP 806. (Res. 18-09)
4. An 11th place (Reserve) horse shall be selected, but not announced, in case there is a disqualification.
5. If the class is too large in the sections, the class shall be split in the ring by entry numbers at the discretion of the judges. (Res. 28-70)

- Judges may not confer either during the classes or between sections. (Res. 28-70)

COMP 802. WORK-OFFS – REGIONAL AND NATIONAL SHOWS

GENERAL

- Any judge may request a work-off in any class by communicating through the Ringmaster. The judge making the request must state what horses he wants called and for which positions they are to be worked to the Ringmaster. The Ringmaster asks the other judges if they are ready to place their class or if they would like a work-off and if so which positions and numbers. The Ringmaster relates this to the other judges one at a time. The judges do not confer with each other during the request of a work-off. A work-off requires agreement by two of the three Judges, or the positions must be filled without a work-off.
- If a work-off is agreed upon, the Ringmaster must ask the other Judges if they wish to add other horses to those being sent to the rail. The Ringmaster must be sure that all judges know what horses are working for what position. In order to be included in a work-off, an entry must appear on two judges' lists submitted to the Ringmaster. (Each judge submits their numbers and positions to the Ringmaster individually; the ringmaster determines if an entry is eligible to be in the work-off.) If an entry does not receive two votes for inclusion in the work-off, that entry does not return to the rail, unless a judge requests an additional entry to be included in the work-off which is agreed upon by the panel with a majority vote for that horse to return to the rail. If no entries receive two work-off votes, there is no work-off and the class is placed. At no time will horses ever be asked, or required, to perform more than one work-off per class (**Exception:** Equitation).
- The Ringmaster must inform the Announcer of the work-off request. Whenever horses are being called for a work-off, the Announcer must call for them in numerical order.
- The work-off is only for the final section of any class at Regional and National level competitions. A work-off will not be called for in any lead-line or walk/trot classes.

WORK OFF PROCEDURES (Res. 9-07)

- Before the horse show begins, show management (show commission) should meet with the Judges, Ringmaster, Announcer and Scorer(s) to discuss the system and make certain each person understands his/her responsibility.
- The show management should instruct the Judges, Ringmaster and Announcer on work-off procedures before the show.
- The Judges must work independently.
- In the event of a work-off, the Ringmaster should be certain all judges know what horses are working for which positions (placings).
- The Announcer must call for horses in a work-off in numerical order.
- The Scorer(s) must understand the scoring system. The work-off is scored as a separate section. The other horses are placed as originally judged.

COMP 803. POSTING OF JUDGES' CARDS

- The entries selected by each judge in Preliminary and Elimination sections will be listed numerically on a form determined by Show Management.
- Judges' cards will be posted for Regional and National Championship Shows. Posting will be done in a place and in a manner selected by Show Management.

COMP 804. DIVIDING GUIDELINES

GENERAL

- All numbers are for guidance and may vary.
- The following dividing procedures are for Championship classes.
- A horse may be shown in a class by only one handler/rider or driver. **Exception:** In Working Hunter, (Refer to COMP 716.2) Jumper, Dressage,

Reining, Cutting, Working Cow, Reined Cow, Trail and Sport Horse In-Hand classes, a rider/handler may show more than one horse. (BOD 5/02)

DIVIDING AND SEQUENCE, BASED ON THE NUMBER OF ENTRIES

- The number of horses and type of class must be considered.
- The number of entries selected as the Top Ten may vary from one to ten, but shall never be more than ten.
- Classes with fewer than three entries postmarked/electronic transaction dated by closing date:
 - Will render that class canceled.
 - All entry fees and stall fees will be refunded.
 - Except for AHA National Breeding and In-Hand Futurity classes, which will be held regardless of the number of entries. (Res. 61-86)
- Classes with entries of 3-35 will be divided into two sections, A and B (if numbers justify), followed by:
 - Semi-Final followed by Final.
 - Semi-Final/Final (held as one event).
- Classes with entries of 36 or more:
 - Shall be split into two or more sections at the discretion of Show Management to allow each exhibitor the maximum opportunity to show their horse.
 - Sections shall be considered as Preliminaries or Eliminations and will consist of not more than 35 entries each.

DIVIDING CLASSES INTO PRELIMINARIES OR ELIMINATIONS

- Whether a class is divided into Preliminaries or Eliminations is determined by the number which will return from each section.
 - As a general rule, Preliminaries will be used when a specific class has more than 50 entries, or a Driving class has more than 28 entries, or when Show Management determines that such is in the best interest of the show.
 - Eliminations will be used when a class reaches about 25 entries. Show Management may use Elimination sections to reduce the size of any class when it is determined that such is in the best interest of the show.
 - Ideally, a Semi-Final section will have fewer than 25 entries.
 - A Semi-Final should have no more than 35 entries.
- First Division. Management shall place entries in alternate sections if they are needed.
- Second Division (Preliminary or Elimination).
 - In certain classes (selected annually by the Show Commission), exhibitors must file a certification of intent to show with the Show Office.
 - Management shall then:
 - Arrange all horses in numerical order and place in alternate sections; or
 - Draw for sections. Section change requests will be taken into consideration.
- In classes where "Intent To Show" forms are required, the horses will not be assigned to sections until the required form has been submitted at the show. The alternate placing of horses in sections will be utilized at this time.
- Section change requests will be considered for section assignments whenever possible. This results in a more even distribution of horses per section, as well as being fair to exhibitors who have legitimate conflicts.

DIVIDING AMATEUR / OPEN OR JUNIOR CLASSES

- A legitimate effort will be made to keep Amateur to Ride or Junior to Ride class sections at 25 or fewer horses.
- A legitimate effort will be made to keep Open class sections at 30 or fewer horses.

DIVIDING COMBINATION AND DRIVING CLASSES

11-19	8
20 or more	10

16. Since safety dictates the number of Driving horses that can compete in the ring at one time, Show Management will determine the class and section breakdown.
17. If fewer than eight horses compete in a Driving Preliminary or Elimination section, that section should be conducted in the same manner as any other section.
18. In Driving, so that there will be 14 or fewer horses in each section, Show Management will determine the numbers that will produce such entries in the sections. Eight horses will be ranked with seven horses going forward.
19. In all classes after Preliminary sections are complete, all Eliminations at the same level may be held consecutively.
20. The Finals will be held as determined by Show Management.

- c. If six or fewer horses compete in a regular performance Preliminary section, all will return to the next section. (**Exception:** Refer COMP 804 For Driving)
 - 1) The section will be held only if the other section of that class is required to work.
 - 2) If the section is not held, all horses in that section will go forward as if they had competed and been selected.
7. In specific Driving and Individual Work classes, if the number of horses scheduled to appear for a section is fewer than the minimum number required to go forward from that section:
 - a. The section will be held only if the other section of that class is required to work.
 - b. If the section is not held, all horses in that section will go forward as if they had competed and been selected.

DIVIDING WORKING WESTERN

21. Refer to each Working Western discipline in this section.

PRELIMINARY OR ELIMINATIONS SECTIONS (Using a Ranking to Dictate Class Size)

COMP 805. SCORING/JUDGING/PROCEDURES FOR NATIONAL SHOWS

PRELIMINARY SECTIONS (If Not by Ranking of Class)

1. If there is a Preliminary Section offered it will be the first section entered by exhibitors.
2. All judges are used as equals.
3. The Number One Judge (as designated in the prize list) calls the gaits.
4. In order to go on to the Elimination section, an exhibitor must appear on at least two judges' cards.
5. U. S. and Canadian National Shows. To return approximately ten horses from each Preliminary section and to assure that if all the eventual Top Ten started together in one Preliminary section, they could continue without fear of being eliminated from competition on the basis of this system:
 - a. When three judges are officiating, each selecting a number determined by the size of the section and announced before the beginning of the section, and with the requirement that an exhibitor must appear on at least two judges' cards, it is possible more or fewer than ten could return to the next stage.
 - b. Following Table to be reviewed and re-established annually before each U.S. or Canadian National Show:

TABLE A	
Number of horses in a section	Number of Horses to be marked by judge
11-24	10
25-30	11
31-40	12

8. If there is no Preliminary section, the Elimination section will be the first section entered by exhibitors.
9. All judges are used as equals.
10. The Number One Judge (as designated in the prize list) calls the gaits.
11. In order to go on to the Semi-Final section, (receive a Semi-Finalist ribbon), and have a predetermined number of exhibitors going on to the Semi-Final section, judges will be asked to rank the exhibitors on their cards by placing a predetermined number of exhibitors. (BOD 11/16) The Scoring System in COMP 602, 606 or 609 will be employed depending on the class and National show, to determine which exhibitors will go forward to the Semi-Final section. COMP 811. JUMPERS SCORING/JUDGING/PROCEDURES FOR REGIONAL AND NATIONAL SHOWS

REGIONAL

1. Regional Championship Shows may hold one Jumper class rather than sections due to time constraints. That class is placed as any other Regional class. (See USEF/EC Rules)

NATIONAL

2. Championship Jumper classes held in the United States will be judged in accordance with USEF Arabian Jumper Section. Time first jump-off with designated number of competitors to jump-off.
 - a. Each horse will jump the course once and will be scored on the number of faults incurred over the course and any penalties for exceeding the time allowed to complete the course. All horses will be timed to establish the jump order for the jump-off, if any.
3. Championship Jumper classes held in Canada will be judged in accordance with EC rules. A competition not against the clock with a time allowed but in the event of equality of penalties for first place, there will be a first jump-off not against the clock and, in the event of further equality of penalties for 1st place, there will be a second jump-off against the clock. Other competitors are placed according to their penalties in the first jump-off and, if necessary, in the first round.
4. Jump Order.
 - a. First go-round will be random selection.
 - b. Jump-off is earned by the time taken to complete the course in the first go-round. The horse completing the course in the fastest time will jump last in the jump-off. The horse with the next fastest time jumps next to last, etc.

Should an equality of faults and time occur after the jump-off for the last place Top Ten, or the Champion, tied horses will jump again over the same jump-off course which may be raised or shortened. Time decides any equality of faults until ties are broken.
8. Time Allowed.
 - a. Time allowed to complete the course must be announced before the class starts.
 - b. The time allowed is based on a speed of 382 yards per minute (360 yd/mi in very small or indoor arenas). In all jumper rounds one time fault will be charged for each second or fraction thereof by which the time allowed is exceeded. After the first horse has completed the course without disobedience, if the judge decides that the time allowed is inaccurate, the time may be adjusted once and announced before the next horse begins. Any entry failing to complete the course within the time limit (i.e., double time allowed to complete the course) is eliminated. The competitor's time should be announced. (BOD 2/04)

COMP 812. SPORT HORSE IN-HAND & UNDER SADDLE SCORING/JUDGING (BOD 5/02)

6 th place – 8 points	other reserve selections – 0 points

- b. **Total Score** - The two judges are designated as the "Number One Judge" and the "Number Two Judge" in the prize list. Each judge will judge independently and the scores from both judges will be added together to give the total score for that horse. The horse with the highest total score will be named Champion; the horse with the second highest score will be named Reserve Champion, etc. until all placings have been filled. In the event of a tie on the total score for Champion, Reserve or last place of the placings, the Number One Judge's card will be consulted to break the tie. The horse placing highest on the Number One Judge's card will place above the other horses in the tie. (BOD 11/14)

- 9. After the Under Saddle class, in the event of a tie for Champion, Reserve Champion or Top Ten, the points earned in the Under Saddle section will be dropped and the tie resolved by using the sum of the points acquired in all the over fences classes. If a tie persists, the judge will break the tied horses without reworking them. When a Multi-Judge System is used, when a tie persists after the Under Saddle scores are dropped the horse scoring higher on the Call Judge's card will be used to break the tie. COMP 814. WORKING WESTERN SCORING/JUDGING/PROCEDURE (BOD 11/11)

GENERAL

All classes will run in accordance with USEF Rules AR Working Western for draws and breaking ties.

All scores in Arabian Working Western classes are required to be announced immediately following the horse's work and prior to the work of the subsequent horse.

In Reining, it is mandatory to use video for pattern faults (see USEF AR Working Western Section, General for guidelines for video review), which can be called for by the official judge(s) only. In Regional Championships, East Coast Championships, Pacific Slope Championships, Canadian Nationals, US Nationals and Youth Nationals and all recognized shows offering \$500.00 or more in the reining section (Res. 7-92). Supplying or arrangement for this video equipment is the sole responsibility of the show management.

If an exhibitor receives a "no score" in any section or go, they are disqualified and ineligible to receive any placement or advancement.

SCORING AND JUDGING

1. All Recognized AHA Shows, Regional Championships, East Coast Championships, Pacific Slopes Championships, Eastern Canadian Breeders Championship, Western Canadian Breeders Championship and Nationals Championship Shows must use the Scoring Systems for Working Western classes as defined by USEF AR Working Western Section (All NRCHA rules regarding patterns, scoring, and judging shall apply for Working Cow/Reined Cow classes)
2. When one judge is used, their score will place the class. When more than one judge is used, scores will be totaled to determine the placing of the class. When five judges are used, one high and one low score will be eliminated and the remaining three scores will be totaled to determine the placing of the class.
Note: Exhibitors receiving a zero score in a one go-round are not eligible to place.

CLASS PROCEDURE/SECTIONS/GO'S FOR CUTTING, REINING, REINING SEAT EQUITATION, TRAIL, WORKING COW AND REINED COW (Exception – Open Reining and Open Trail)

3. U.S. Nationals, Canadian Nationals and Youth Nationals classes with entries of:
 - a. All classes (with the exception of the Open Reining and Open Trail) will be run as 2 go-rounds, with the Champion, Reserve Champion and Top Ten determined by the cumulative score of both go-rounds. (BOD 11/17)
All exhibitors will be eligible to show in both go-rounds provided they do not receive a "no score". An exhibitor receiving a "no score" is ineligible to receive a placing. Exhibitors receiving a "zero score" in the first Go-Round are eligible to show in the second go-round and an exhibitor may receive a zero score in either go-round and be eligible to receive a placing provided they obtain a score, other than zero, in one of the go-rounds and their cumulative score merits such placing.
In Reined Cow Horse, the exhibitor may obtain a "zero score" in both phases of a go-round but may not place unless they obtain a score in one phase of the other go-round, i.e., In the first go if a "zero score" is awarded in both the reined work and fence work and if in go 2 a zero score is awarded in the reined work and a 65 in the fence work, this constitutes a total score of 65 which is eligible for placement.

CLASS PROCEDURE/SECTIONS/GO'S FOR OPEN REINING AND OPEN TRAIL (Exception – Intermediate Open and Limited Open)

- b. Open Reining and Open Trail will be run in 2 go-rounds. The first go-round will be run as a Semi Final with the top 16 horses advancing to a second go-round final. All ties for 16th place in the Semi Final will advance to the Final. Exhibitors receiving a "no score" are ineligible to advance. Champion, Reserve Champion and the Top Ten will be determined by the cumulative score of both go-rounds. (BOD 11/17)

CLASS PROCEDURE / CUTTING (BOD 11/13)

4. In a contest where there is a working final, the scores a horse has made in go-round performances will be added to the score the horse makes in the final to determine the winner of the contest. Finals money shall be paid on accumulated scores of all go-rounds and finals, unless the finals are published as a "clean-slate" final.
 - a. In a contest where there is a non working final, the score of each go-round added together will determine the winner of that contest. Finals money shall be paid on accumulate scores of go-rounds.
 - b. An exhibitor may enter one or more horses. A rider may ride one or more horses. Each horse must have the same rider throughout the class. Under no circumstances can the same horse be shown by more than one rider in any class at an AHA recognized cutting contest.
 - c. Entry numbers shall not be used as the sole method of identifying horses at any approved contest. Announcers are required to make known the name of each horse, his owner and rider at the time he/she performs and to recognize winners in a similar manner at the conclusion of the contest.

- d. The time allotted each horse to work is two-and-one-half (2 ½) minutes; time to start when contestant crosses the time line. This gives the rider ample time to ride to the herd and work as many cows as the rider sees fit in the allotted time. If elimination is held, the same rider must ride in the elimination.
- e. Judges must draw for places (working order of horses) or authorize show management to draw before go-rounds and finals. In the event that a horse is left out of the draw, a re-draw must be made. If a horse is duplicated, the judge or show management shall draw to determine which draw position is to be used.
- f. The Show Management must determine how many horses will be worked in each group of cattle. After the draw, absent horses shall be counted toward cattle changes and horses will work as drawn in each group of cattle.

COMP 815. CLASS PROCEDURE FOR COMPARATIVE JUDGING IN BREEDING IN-HAND (Res. 20-13, Res. 7-17)

1. Class Procedure for AHA Recognized shows including Regionals and Nationals:
 - a. Judging begins when the first horse enters the ring. From the moment the horse enters the ring its movement is being evaluated. The horse shall enter at a trot, and at the handler's discretion may either proceed directly along the rail, or trot a counter-clockwise circle at the in-gate end of the arena and then proceed along the rail to the far end of the arena. Upon each horse reaching the designated position at the far end of the arena they are to remain relaxed. The judge(s) will then ask for the next horse to enter the ring. When all horses have entered the ring the horses shall be asked to walk collectively counter-clockwise and/or clockwise past each (and all) judge(s). They shall walk in a relaxed manner on a loose lead with the handler at the side of his horse, whips down. The lead line must maintain a discernible drape and the handler must not place his hand on the chain or close enough to in any way restrict the natural head and neck motion. The handler may not unnecessarily impede the forward motion of the horse while at the walk. Following the cessation of the walk all horses shall relax within the ring and only the horse "on deck" shall be prepared to show. Each horse shall be led to the judge(s) at the walk and presented for judging. In order to satisfy a proper presentation to the judge, horses should stand correctly, bearing weight on all four feet (not stretched), in a quiet and deliberate manner. Following the evaluation by the judge(s), horses shall walk away from the judge(s), and then strike a trot before turning left and proceeding counter-clockwise down the rail. They shall resume their position on the rail.
 - b. Handlers are expected to keep a reasonable clearance between horses and judges should modify the alignment of horses to achieve that clearance. Further judging will not commence until the Call Judge approves the placement and spacing of all horses,
 - c. After the last horse is presented, judges will have a period of time to finish their evaluation of entries and turn in their card (the specific time period to be determined by Show Management).
2. That in the event that any comparative judging is used, it is optional that the judge(s) provide reasons. Should show management desire reasons to be provided to their exhibitors, in a one (1) judge system, judge shall give oral reasons for their decisions after the card is handed in. (Res. 14-16) In the event of concurrent shows the two (2) judges shall alternate classes in giving reasons.

 - d. Trail markings will be distinct and obvious to the riders/drivers
 - e. The Ride/Drive Management Committee may make alterations to advertised criteria if trail and/or weather conditions warrant it. Any changes will be announced prior to the day's ride or be announced at any point on the trail as long as they apply equally to all riders/drivers.
 - f. Management may provide water for drinking or sponging along the trail or at rest/vet checks where natural water is not available. However, care should be taken to ensure that the quantity of water is equal for all (e.g. one bucket per entrant). Management may limit sponging when water is scarce. No hoses will be allowed.
 - g. Management may transport buckets, blankets, etc. to a vet check or lunch stop if the situation warrants. However, this will be announced at the rider's briefing and be done equally for all riders/drivers.
 - h. The Ride/Drive Management Committee, along with the Ride/Drive Veterinarian(s), shall set the optimum ride/drive time for completing the course each day (refer to CT 102.2.i).
 - i. The ride speed must average between four (4) and seven (7) mph. However, the time must be of sufficient speed and challenge to allow for stress factors to be utilized in judging. The pace for a drive is between five (5) and seven (7) mph. The pace will be determined by the drive management. Factors determining the pace will be heat and humidity, difficulty of the terrain and the conditions of the trail.
 - j. It is necessary for the judging teams and the management to make arrangements among themselves to be prepared to handle medical emergencies. This will require that fluids, steroids, analgesics, etc. be available at the ride-site and that someone be available to handle emergencies during the entire course of the event.
 - k. Distance. The AHA recognized ride (CTR) must be an accurately measured distance of 25-40 miles per day for one or two days. The AHA recognized drive (CTD) must be an accurately measured distance of 10-40 miles or less per day for one or two days.
 - l. The ride/drive brochure must include:
 - i. The name of the ride/drive
 - ii. Date
 - iii. Location
 - iv. Names of the Ride Management Committee

 - ix. Provision for protest (Refer to CT 104.1)
 - x. A statement regarding the availability of feed
 - xi. Reference to ride/drive rules and scoring system in the AHA Handbook, and/or a reference to the Handbook at www.ArabianHorses.org
 - xii. A short description of the ride/drive, days, miles, terrain, weather, and facility
 - xiii. Type of stabling available
 - m. The entry form will provide the name of the sanctioning organization, and include the AHA liability clause and the statement "The rider/driver and owner have read and will abide by the AHA rules."
 - n. The ride/drive will be judged and scored using AHA score cards.
 - o. For CTD, management must perform safety inspections of all turn-outs competing each day. Ride Management has the authority to disqualify a competitor if the horse, vehicle or harness is deemed unsafe. Entry fees will be refunded in this instance.
3. **RIDERS/DRIVERS MEETINGS.**
- a. A riders/drivers' meeting must be held each evening and/or prior to the start of the next day's ride/drive to brief riders/drivers on the course, trail markings, available water, etc.
 - b. Judges must discuss the judging methods and procedures.
 - c. Judges must set and announce the pulse release parameters prior to the start of each day.
 - d. Rules of trail etiquette and trail safety must be explained.
 - e. Riders/Drivers must be given maps and a schedule of estimated times and/or distances and elevations for various points on the ride/drive.

 - i. The type of shoe and/or use of pads is up to the discretion of the rider/driver.
 - ii. All types of hoof protection are permissible. Hoof boots with attachment strap, keeper or gaiter MAY NOT extend above the pastern. The judge(s) may request to observe the area covered by the attached strap, keeper or gaiter at any time. Hoof boots with attachments will be removed after the final trot out for the judge(s) to examine the hoof and leg. (BOD 3/15)
 - b. For CTR, any type of humane tack is permissible. For CTD, any type of humane harness is permissible. (BOD 3/15)
 - i. Breaching or a Brake is required unless using a racing type harness employing "quick hitch" couplers, which attach the shafts of the cart directly to the saddle pad of the harness. This type of racing harness may only be used with a lightweight two-wheeled cart.
 - ii. The driver must affirm to Ride/Drive Management via the Safety Check that the horse is accustomed to the harness and cart configuration on hills and rough terrain.
 - iii. Bicycle type wheels are not allowed. Traditional wood or metal wheels are recommended. Pneumatic tires on automobile or heavy duty spoke wheels, such as those used on motorcycles, are acceptable.
 - c. Devices which serve strictly as leg protection are not permitted (a leg is defined as all structures above and including the coronet band). Examples of these devices include, but are not limited to: bell boots, splint boots, wraps or any device that was not manufactured to hold the hoof protection in place. (BOD 3/15)
 - d. No drugs, external medications, medical/mechanical devices (such as, but, not limited to TENS Unit, Infra Red machine, LED machine, etc.), or ice can be used. Desitin and non-medicated Vaseline are allowed but the horse must be presented without either for vet in and vet out. (BOD 3/12)

- i. Feed, electrolytes, etc. for out-of-camp check points must be carried by the horse or rider/driver.
 - ii. Common courtesies such as transporting jackets or other articles back to camp or refilling water bottles are allowed.
 - iii. In the case of a physically handicapped person, the judges and management may make an adjustment to suit that particular handicap.
 - iv. Age is not considered a handicap.
 - v. In the interest of safety, it is recommended that junior's girth/harness be checked by an adult.
- h. The driver must have a whip within reach at all times while in the cart. No whips of any kind are allowed during pre or post ride/drive examinations.
- i. It shall be the responsibility of each contestant to ensure that his/her horse has not been administered any drug which may alter the horse's performance within 72 hours of the pre-ride/drive examination.
 - j. Stallions will be flagged with a yellow ribbon in the forelock and tail and kickers will be flagged with red ribbons.
 - k. There will be a safety check prior to the start of the drive to inspect the harness and vehicle. It is the responsibility of the driver to allow sufficient time at the Safety Check to complete the inspection and make any necessary adjustments prior to the start time.
 - l. Spares Kit are required by all drivers. They include a knife, screw driver, pliers, small hammer, leather punch, hoof pick, wheel wrench to fit axle, length of rawhide, string or wire, a hames strap if applicable, spare rein or splice, spare trace or splice. It must also include a halter and lead, cooler or quarter sheet for each horse. Other items such as duct tape, electrical tape, nuts and bolts may be included. It is also suggested that the knife or box cutter be carried by the driver so that it is readily available in case of emergency.
5. **ON THE TRAIL.**
- a. The horse and rider/driver may travel at their own pace on the trail. Each rider/driver shall be responsible for his/her own time. Exceptions:
 - i. Riders/Drivers may be asked for a forced trot to pulse check.
 - ii. Riders/Drivers must maintain forward motion for the final two miles of each day. (BOD 3/15)
 - b. Riders must remain in the saddle and drivers must remain in the cart when the horse is in forward motion over the course, but may dismount and rest themselves and the horse at any time, provided they do not advance.
 - c. At any location designated by the trail master as hazardous, riders may be instructed to dismount and proceed on foot for a specified distance. Drivers have the option to unhook to get through the hazard.
 - d. The groom is NOT allowed to share the driving. The groom may give the driver directions on the trail. (Refer to CT 102.1.d)
 - e. The same horse and rider/driver team must be maintained throughout the ride/drive, pass all check points, and stay on the trail as marked. Should the rider/driver become lost, they must return via horseback (CTR) or via the carriage (CTD) to that point at which they left the trail and then complete the trail as indicated.
 - f. Any team (horse and rider/driver) disqualified from the competition while on the trail shall not advance on the trail, but shall be trailered from an accessible point to the base camp, unless permitted by the veterinarian or other disqualifying official to return on foot by the shortest possible route. All drivers are responsible for recovery of their vehicle.
 - g. All items used on the trail by the contestant for the horse must be transported or carried by the same (i.e. feed, water, electrolytes, etc.) (Exception refer to CT 102.2.g)
 - i. Except where provided by management, or carried by horse and/or rider/driver, only natural water is allowed for drinking and sponging along the trail.
 - ii. Riders/Drivers may carry water with them on the trail if they so desire. This water may be used at any time as the rider/driver sees fit.
 - iii. Water at the rest stops may be used in any fashion and at any time the rider/driver sees fit unless otherwise specified by ride/drive management. (Exception refer to CT 102.2.f)
- h. There must be a minimum of two Pulse checks per day of actual on-trail competition. For CTD's, there will be at least one vet check every 15 miles.
- i. At pulse checks, either stethoscopes or hand held heart rate monitors (HRM) must be used, but these may not be mixed at any one check point. The 15-second stethoscope count is recorded on the rider's/driver's pulse card. Do not multiply by 4. The actual HRM count at 15 seconds is recorded on the pulse card. Do not divide by 4. Fractional points shall be deducted as indicated. NOTE: Tabulators must be advised as to which method is used at each check.
 - ii. A rider/driver may request and receive an immediate pulse recount at a check point. The second count shall be recorded and scored.
 - iii. All horses must pass parameters within 20 minutes for CTR and 25 minutes for CTD. The initial pulse check will be taken 10 minutes after arrival for CTR and 15 minutes for CTD. A horse that fails to pass pulse parameters must be held an additional 10 minutes for a recheck, with the deduction of an additional 5 points for this second pulse check. Failure to meet the pulse criteria at the second check (20 minutes for CTR and 25 minutes for CTD) will result in disqualification.
 - iv. If a horse is held for a second pulse check, the maximum and minimum riding/driving time will be extended that additional 10 minutes.
 - v. A pulse check will be taken 10 minutes for CTR and 15 minutes for CTD after the horses finish the total mileage for the day. This may be counted as one of the two required pulse checks for the day.
- i. Horses that fail to complete the ride/drive in the specified ride/drive time frame (optimum ride/drive time, plus or minus 15 minutes) will be eligible for completion awards and mileage credit only, provided that they do not arrive earlier than 30 minutes prior to the minimum time or exceed the maximum time allowed by more than 30 minutes. This restriction applies to each day of a multiple day ride/drive. Optimum ride/drive time includes:
- i. Actual riding/driving time spent in forward motion on the trail.
 - ii. Lunch break.
 - iii. For CTR, fifteen (15) minutes for each pulse check (to include 10 minute pulse time and 5 minutes for dismounting, remounting, etc.). For CTD, twenty-five (25) minutes for each pulse check (to include 15 minute pulse time and 10 minutes for hitching, unhitching, etc.)
 - iv. Specific time allowance for any other required stops on the trail.
 - v. For CTD, all horses must be unhitched from the vehicle during checks.
- j. A "Slow Moving Vehicle" sign must be on the rear of the carriage and displayed with the bottom of the sign at least 2 feet from the ground.
6. **JUDGING PROCEDURES.**
- a. Throughout the ride/drive, each judge must judge the same criteria on every horse (e.g. Judge A scores lameness and Judge B scores metabolics)
 - b. Preliminary judging.
 - i. Horses will stand quietly for a pre-ride/drive exam.
 - ii. Judges will verify the accuracy of the description of the horse being scored as to
 - a. Name
 - b. Age
 - c. Sex
 - d. Color (including markings)
 - e. Division of competition.

- iii. Judges will evaluate the equine's way of going. Any horse with a grade 3 lameness prior to the ride/drive must not be allowed to start.
- iv. Judges will note any blemishes or previous injuries
- c. The post-ride/drive judging procedure shall be conducted exactly like the pre-ride exam.
- d. The horse/rider/driver team shall be considered in competition from the moment the horse is presented to the judges for preliminary judging until the final scoring is complete.
- e. During the Competition.
 - i. Horses can be stopped for a veterinary check at any point during the ride/drive.
 - ii. Only pulse will be scored during these veterinary exams; however, horses that are not fit to continue may be disqualified based on any criteria.
 - iii. There must be a minimum of two vet checks per day.
 - iv. A pulse and veterinary check is required at the end of the day's ride/drive.
 - v. Manners deductions can be taken anytime during the ride/drive.
- f. End of Competition. All horses must pass mandatory rest stop examinations, and vet checks at the end of the ride/drive each day. Competition continues until scores have been finalized and management announces scoring is completed.
 - i. In the event of tie scores judges shall break the tie by:
 - ii. Re-examination of score cards for:
 - a. Mathematical errors
 - b. Comparing scored categories in the following priority:
 1. Metabolics
 2. Pulse
 3. Soundness
 4. Fatigue
 5. Legs
 6. Tack
 7. Manners
 - iii. If placings are still unresolved, tied horses shall be re-examined.
 - iv. All ties must be broken for Top Ten.

7. DISQUALIFICATION.

- a. Any rider/driver or owner who is in violation of these rules or deemed prejudicial to the best interests of the AHA shall be subject to such penalty of official warning, disqualification or other sanctions which may be deemed appropriate by the judges and/or the Ride/Drive Management Committee.
- b. Horse and Rider/Driver must be at the starting line at the time designated by Ride/Drive Management on the day of the ride or be disqualified.
- c. A horse, its owner, and, its rider/driver must be disqualified from the competition if said horse has been administered in any manner any stimulant, depressant, general pain killer, tranquilizers, drug, or local anesthetic which could affect the performance or well being of said horse. Some drugs while not in themselves illegal, do mask the presence of some illegal drugs. The presence of abnormally large amounts of these masking agents may subject a horse to the same penalty as if an illegal drug were found. Examples of masking agents include Vitamin B-1 (Thiamin), procaine penicillin, sulfa drugs, some worming preparations, and some diuretics. It shall be the responsibility of each contestant to ensure that his/her horse has not been administered any drug which may alter the horse's performance within 72 hours of the pre-ride/drive examination. Random drug testing may be implemented by the vet judge or ride/drive management without notice.
- d. Any action against a horse by an individual, which is deemed excessive by a judge, steward or Ride/Drive Management Committee anywhere on the competition grounds, or any act deemed improper, unethical, dishonest, unsportsmanlike, intemperate, or prejudicial to the best

interests of AHA may subject the perpetrator to disqualification and being asked to leave the ride/drive and/or other sanctions which may be deemed appropriate by the Ride/Drive Management Committee or AHA.

- e. For CTR, a horse and rider are considered a team. For CTD, all horses in the hitch and the driver are considered a team. Disqualification of one automatically constitutes the disqualification of the other.
- f. A horse shall be disqualified from further competition when it is determined by the judges and/or management that a rider/driver has violated the rules to the extent that it would prevent comparative evaluation of the horse's performance.
- g. Unruly or unmannerly horses which are a hazard on the trail or hard to examine may be disqualified or penalized as per CT 102.8.a.vii.
- h. Horses which complete the ride/drive more than 30 minutes prior to the minimum ride/drive time or exceed the maximum ride/drive time by more than 30 minutes will be disqualified. This restriction applies to each day of a multiple day ride/drive.
- i. Failure to meet the pulse criteria at the second check (20 minutes for CTR, 25 minutes for CTD) must result in disqualification. (Refer to CT 102.5.h.iii)
- j. All decisions of the judges as to disqualification or suitability of the horse to continue are final.
- k. The head of a pulse team or Ride/Drive Manager in the absence of the vet may pull any horse that fails to recover to parameters or shows obvious signs of extreme stress to a point where it would be dangerous for the horse to continue the ride/drive, or has an obvious injury or lameness that could become more severe or damage the horse.
- l. No equine will be hitched to a vehicle without a bridle and reins. Violators will be subject to immediate elimination and excluded from further driving at the event.
- m. Horses will not be left unattended while put to a carriage. They cannot be left tied to a trailer, fence or other object unattended while put to a carriage.
- n. At no time during the competition may the groom/passenger or other along the route hold back the carriage going down a hill or push the carriage up a hill. Failure to comply will result in immediate elimination.

8. SCORING.

Contact the AHA Office for the current Competitive Trail Score Card.

Competitive trail horses are evaluated on the following criteria: soundness, condition, and manners. Although horsemanship, including the ability to negotiate obstacles found along the trail, is an integral part of how well a horse will perform, it will NOT be judged as part of the horse's score. When horsemanship is involved, it is to be judged and awarded separately from the horse's performance.

- a. Scoring – NOTE: For CTD, when scoring multiple driving horses, each horse will be scored individually. However, their individual scores are averaged to determine the final score. (**Example:** when driving a pair, the 2 horse's scores will be added together and then will be divided by 2)
 - i. **Pulse Recovery.** Maximum penalty, 20 points per day. The base pulse is 11 (44/minute). The count must be taken for 15 seconds. Points will be deducted at a rate of one point for every beat over base. When pulse is taken with a hand-held heart monitor points will be deducted at a .25 (quarter) point increment. Base pulse is 44 (0 points), 45 (.25 points), 46 (.50 points), etc. There will be one penalty point per minute or part thereof if a competitor does not present for pulse check at the proper official time. (BOD 3/12)
 - ii. **Metabolics.** Maximum penalty, 20 points per day. Base line for all metabolic categories for each day is the pre-ride/drive examination. The evaluation of metabolics shall include but not be limited to the following: dehydration, capillary refill, anal tone, muscle tone, gut sounds, azoturia, thumps, sweat and salivation, eating and drinking.
 - a) Dehydration. Dehydration is determined by pinching the skin on the point of the shoulder and evaluating the return

- to normal. Scoring is based on a 0-4 basis, 0 = no dehydration, 4 = severe dehydration.
- b) **Capillary Refill.** This is measured by pressing the thumb against the upper gum of the horse and counting the seconds for the color to return to normal. Scored on a 0-4 basis. 0 = normal refill, 4 = severely delayed refill
 - c) **Anal tone.** Graded as a change from the pre-ride/drive examination.
 1. Scored on a 0-2 basis from 0 for a strong reflex to 2 for flaccid tone
 - d) **Muscle Tone.** Graded as a change from pre-ride/drive examination. Scored on a 0-4 basis from 0 for firm, warm and contracting muscles to 4 for rigid/spastic muscle tone.
 - e) **Gut sounds.** Graded as a change from pre ride/drive examination. Scored on a 0-4 basis, can be evaluated using the following scale:
 1. 0 = Strong both sides
 2. 1 = Moderate both sides
 3. 2 = Slight both sides,
 4. 3 = Slight one side
 5. 4 = No gut sounds
- iii. **Tack area.** Maximum penalty, 10 points per day. Baseline for tack area for day 1 is the pre-ride/drive examination. Baseline for day 2 is day 1.
Examination of those parts of the horse touched by actual riding equipment such as saddle, girth, head stall, breast plate, crupper, etc. The judge's attention should be directed toward injuries such as abrasions, hair missing, heat bumps, and muscle soreness. Points are deducted for increase of severity of pre-existing conditions or appearance of new ones. The profile of the horse on back of the score card can be used at the pre-ride/drive exam to note physical faults and be referred to at the post-ride/drive exam to make sure the horse is not penalized for something with which it checked in.
- iv. **Legs.** Maximum penalty, 15 points per day. Baseline for leg categories for day 1 is the pre-ride/drive exam. Baseline for day 2 is day 1.
This category covers any physical evidence of wear and tear or stress on the legs initiated or worsened during the event. The most common leg problems are swollen and/or sore tendons, lower leg filling, scratches, joint swelling or pain on flexion, sore splints, and interference marks. These conditions are best detected visually and by feeling. Stocking and swelling associated with the subcutaneous tissues need not be considered detrimental when found after an overnight layover if they regress after resuming activity. However, when stocking occurs during the course of the ride/drive or does not regress after resuming activity, it should be considered significant. Use the profiles of the horse on the back of the score card to note and record any filling, abrasion, soreness, etc. at the pre-ride/drive check. It is recommended to document any filling, abrasion, or soreness at this time. This is used for a post-ride/drive reference and assures that the horse is not penalized for something with which it checked in. Each leg should be picked up and palpated and flexed thoroughly but not excessively for both the pre and post ride/drive examination.
- v. **Soundness.** Maximum penalty, 15 points per day. All horses start sound for scoring each day.
Each horse shall be trotted for a minimum distance of 50 feet and circled in both directions in a circle not less than 50 feet in diameter to determine soundness. Riders/Drivers may be permitted to longe their horses for the circling phase of the in-hand trot inspection. Any horse determined by the judges to have a grade 3 lameness according to the American Association of Equine Practitioners (AAEP) "Standards of Lameness" shall not be allowed to continue and will be disqualified. If a grade three lameness is found after crossing the finish line on the final day, a horse may receive completion points only. The judges need to be very careful to score each horse as an individual and the horse should not be penalized for a "different" way of going. Soundness checks may be taken at any time during each day to determine a horse's ability to continue in the competition.
1. Grade 1 – Difficult to observe. Lameness is a deviation from the normal gait or posture due to pain or mechanical dysfunction not consistently apparent regardless of circumstances (1-5 points).
 2. Grade 2 – Difficult to observe at a walk or trotting a straight line: consistently apparent under certain circumstances: e.g. hard surfaces, circles, etc. (6-15 points).
 3. Grade 3 – Consistently observable at a trot under all circumstances. Completion only if observed at the end of ride/drive. Disqualification if at any earlier point.
 4. Grade 4 – Obvious lameness, marked nodding, hitching or shortening of stride. Mandatory disqualification at any point.
- vi. **Fatigue.** Maximum penalty, 15 points per day. Baseline for fatigue each day is the pre-ride/drive examination.
It is important at the pre-ride/drive check to make note of the horse's way of going. This is in reference to impulsion, willingness, and coordination. Deductions for degree of changes/digressions in these areas will be deducted according to the score card.
- vii. **Manners.** Maximum penalty, 5 points per day.
 - a) The manners score can be utilized at any time. This is to allow for some deduction for the horse that is somewhat unruly, but is not disruptive enough to be removed from the ride/drive. The horse should stand quietly for any examination. Manners judging is not to be used to evaluate the manner in which an obstacle is negotiated. However, behavior during the competition which is disruptive or dangerous may be penalized.
 - b) All values are determined by the judges. It is important that a professional, courteous, efficient attitude is displayed. It is extremely important that the veterinary judging team realize that his/her primary responsibility is to ensure the health and safety of the horses involved.
9. **RIDE/DRIVE OFFICIALS.**
The ride/drive manager must complete a recognition application form and send it to AHA at least 60 days prior to the CTR/CTD. They must designate personnel to conduct the ride/drive in accordance with the AHA Rules. A person may have more than one ride/drive official position (e.g. the manager might also be the trail master). The judge and steward may not be members of the same immediate family.
- a. Ride/Drive Management Committee. It is the duty of this committee to ensure that the ride/drive is conducted and run in accordance with all applicable rules.
 - b. Judges. The ride/drive must have two judges, one must be a veterinarian judge experienced in the care and treatment of horses. The second can be a lay person with experience and knowledge of CTR/CTD. All judges are required to score and judge the ride/drive in accordance with the AHA Competitive Trail Ride/Drive rules. The ride/drive must have two judges for the first 50 horses and it is recommended to have one additional vet judge for every additional 25 horses. **Exception:** If a previous year's number of entries or the expected entries for an inaugural ride/drive is 20 horses or less, then a single vet-judge would be acceptable. (BOD 3/15)
 - c. Manager. The Manager is responsible for the conduct of the ride/drive in accordance with all applicable rules and that each of the ride/drive personnel is doing his/her job. It is the manager's responsibility to have emergency treatment equipment available at camp and all checkpoints. The Ride/Drive Manager must send a written report on the ride/drive to

AHA within 15 days of the ride/drive with a copy to the AHA Distance Riding Committee Chair. The report should include pertinent data such as ride/drive participation, problems encountered, solution, and other items which could help increase the integrity of the next ride/drive. The manager will ensure that the judges are familiar with AHA rules and score cards. It is recommended that the ride/drive manager have an active AHA membership for local rides/drives. Regional and National Ride/Drive managers must have an active AHA membership. (BOD 3/15)

- d. Secretary. Sends out entry forms, receives and acknowledges entries, and ensures that horses and riders/drivers are qualified. This person is responsible for initial information on score card (rider's/driver's name, horse, etc.), supervising the score tallying and placing of horses. The secretary must send the original copies of score cards, the Ride/Drive Results Report, and other necessary paper work to AHA within 30 days after the ride/drive. This paperwork should be sent by certified mail or submitted electronically. (BOD 3/15) For Ride/Drive Results Reporting, refer to CT 105.
- e. Steward. A Certified Competitive Trail Ride/Drive Steward should be used. However, an AHA member, knowledgeable about AHA Competitive Trail Ride/drive rules, may serve as Steward if recognized by the AHA Judge and Stewards Commissioner. An AHA steward is not required at an open recognized ride/drive run under the rules of a recognized sanctioning organization.
- f. Timer. Must keep accurate records of starting and finishing times of all contestants and report any early or late finishers to the judges. A timer must also keep an accurate record of the vet check times.
- g. Trail master. Shall plan, measure, and mark the official trail.
- h. Judge's Recording Secretary. Assigned to a judge to quickly, quietly and accurately record all pertinent data involved in the judging. Since this material significantly influences final scoring and point assignment, well organized, accurate, and legible records are indispensable. The work begins with the pre-ride/drive exam and ends only after the score cards have been tallied.
- i. Tabulator. Tabulates the score cards including pulse penalties and manners deductions. These scores may be tabulated by the secretary or separate tabulators.
- j. Pulse Captain. Recruit, instruct, and organize all pulse teams and ensure that they are competent, efficient and accurate in their findings and recordings. Pulse crews must use a 15-second count using stethoscopes or management-provided hand-held heart monitors. At any given pulse check, the same type of instrument (either stethoscope or heart monitor) must be used on all horses.
- k. Farrier. A farrier is recommended.
- l. Safety/Drag Riders. One or more riders or a vehicle are recommended to follow the competitors on the trail to assist any horse or rider/driver in the event of an emergency. Local radio, CB, and REACT clubs may be used to coordinate with management and safety riders to ensure complete ride/drive safety coverage.
- m. Awards. Purchase of awards is the responsibility of the local sponsoring group.
 - i. Placing 1st through 6th, with Champion and Reserve Champion recognition is recommended.
 - ii. There should be a High Point Arabian, Half-Arabian/Anglo-Arabian Award. These awards are provided through the AHA Breed Recognition Award Program at no cost and are only available for CTR. (See AWD 105)
 - iii. Ride/Drive management may present other breed awards or special awards as pertinent. Special emphasis should be made for a youth award.

10. GUIDELINES FOR DRIVERS

- a. Often drivers share the trail with ridden horses that may be frightened by the appearance and sound of a horse and cart. In the interest of safety the driver should pull over and stop when meeting riders. The driver should stand his horse as quiet as possible while talking to the riders and allow them to decide how to safely pass. When approaching

riders from the rear, the driver should call out to them and get their input on how to safely pass them.

- b. Drivers are often confronted with hills and other conditions when heavy pulling or braking is necessary. Through proper harnessing the driver can give the horse as much advantage as possible.
 - i. The proper adjustment of the hip straps places the breeching (just below the big part of the hindquarters) neither too high nor too low. The proper adjustment of the hold back straps can eliminate a sloppy fitting breeching and will reduce the possibility of the cart or breeching banging into the horse when stopping or going down hill. A properly adjusted breeching will allow the fingers of both hands to be inserted between the horse and the breeching when traces are in draught (approximately 1 inch).
 - ii. Overchecks hinder the horse from naturally lowering its head when pulling through heavy sand, mud, or up hills and should be avoided.
- c. Nosebands are recommended for bridles with blinkers to help hold the blinkers in place.
- d. A kicking (bucking) strap may be used at the driver's discretion. If a kicking strap is used it should be properly fitted to effectively thwart unwanted behavior. It should pass over the rump just behind the highest point of the rump and be tight enough to allow no more than one hand width (3 to 4 inches) of slack above the hip. Horses must be wearing the number assigned by the ride officials. Horses to be marked on both hips with marking material that may be seen from a distance. This includes, but is not limited to, stimulants, depressants, painkillers, or local anesthetics.

SWP 101. INTRODUCTION

The Arabian Breeders Sweepstakes (Sweepstakes) (ABS) was introduced by the International Arabian Horse Association to promote the Arabian horse, elevate its stature in the horse industry, provide a financial incentive for the breeding of Arabian horses, and broaden the income base of AHA. These Rules and Regulations define the terms and conditions under which persons and horses may participate in the Sweepstakes, pursuant to which AHA will award Sweepstakes prize money.

SWP 102. SWEEPSTAKES TRUST

1. A Trust was established by IAHA to manage and protect all funds generated by the Sweepstakes. The Trust agreement is available for review at the AHA office. The Trust generally provides that:
 - a. All monies received as Sweepstakes entry fees shall be placed in the Trust.

- b. The principal (entry fees) held in Trust shall be used solely to provide prize money for the Sweepstakes.
 - c. All interest and other income earned by the Trust shall be used to pay administrative, promotional, and other related expenses of the Sweepstakes. Starting in 2010, 100 % of the net annual interest income will be retained by the Sweepstakes fund. (BOD 5/05)
 - d. An audit of all Trust accounts and transactions will be conducted on an annual basis.
2. No more than one-half of the existing Trust principal at the beginning of a calendar year shall be used as Sweepstakes prize money during that calendar year. Since the longevity and long-term success of the Sweepstakes is ultimately dependent upon a number of factors beyond the control of the Arabian Breeders Sweepstakes Trustee, no representations or guaranties of any kind can be made concerning the anticipated life of the Sweepstakes. The Trustee shall have no responsibility or liability to pay out any prize money except from the principal held in the Sweepstakes Trust.
 3. Special Meetings: Special meetings of the Trustee may be held at any time and place on the call of the President or of a majority of the Trustee, in either case upon ten (10) days' notice by first-class prepaid mail, or five (5) days' notice delivered personally or by telephone or electronic mail. Such notice shall state the time and place of the meeting and shall be deemed given at the time when personally delivered, deposited in the mail, sent by electronic mail or orally transmitted to recipient via telephone. (BOD 8/09)

SWP 103. GENERAL ENTRY REQUIREMENTS

1. Be the recorded owner of the Arabian, Half-Arabian, or Anglo-Arabian in the AHA Registries, the Canadian Arabian Horse Registry or the Canadian Partbred Arabian Register or registered in a current recognized source registry (International Studbooks). For Nominated Sire entries that are not registered with AHA or CAHR, you must be the recorded owner for the Arabian in a source registry. See REG 101 for the definition of source registry.
2. For Non-Arabian Nominated Sires, you must be the recorded owner of the horse and provide a copy of the Certificate of Registration indicating ownership.
3. For Breeding Entries, you must list the ownership on the entry form as you intend to register the foal.
4. Submit a completed Official Sweepstakes Entry Form or complete an entry online via the AHA website with all required documentation to the AHA office on or before the designated deadline.

7. If all entry requirements are not received at the time of enrollment, the owner will be notified identifying the additional requirements necessary in order to complete the entry. Two notices will be sent: one notice when the entry is being processed and the second notice 30 days after the first notice. If the entry requirements are not submitted within 30 days after the second notification, the entry will be dropped, and any payment submitted will be forfeited. (Refer to SWP 106.7) Upon re-submission, any new requirements and/or fees will apply.

SWP 104. CERTIFICATE OF REGISTRATION REQUIREMENTS FOR NON-ARABIAN NOMINATED SIRES AND HORSES REGISTERED WITH CAHR OR CPAR

Photocopy of the horse's Certificate of Registration must accompany the completed entry form. If the Certificate of Registration is unavailable at the time the entry form is sent or delivered to AHA, a photocopy must be provided to AHA as soon as possible. For Canadian registered Breeding Entries, a photocopy of the Certificate of Registration must be submitted after the foal is registered. If the ownership of the original nomination does not match the current Ownership of the foal, a transfer fee will apply. A Sweepstakes Certificate (for the Non-Arabian Nominated Sire and Canadian registered horses) entitling a horse to participate in

the Sweepstakes will be issued only when all required documentation has been received by AHA. AHA registered horses will have a Sweepstakes symbol and classification on their Certificate of Registration only when all required documentation has been received by AHA.

 - a. Breeding Entry
 - b. Nominated Sire
 - c. Nominated Dam
 - d. Non-Arabian Nominated Sire
 - e. Anglo-Arabian Nominated Dam

SPECIFIC PROVISIONS

2. An Arabian stallion or mare may be enrolled in more than one classification (i.e., as an Original Entry and Nominated Sire; or Breeding Entry and Nominated Sire or Nominated Dam), provided that all fees are paid and all entry requirements are fulfilled for each classification. A gelding may only be enrolled in a single entry classification (i.e., as an Original or Breeding Entry).

SWP 106. FEES AND DEADLINES

1. Breeding Entry: \$400
An unborn foal sired by a Sweepstakes Nominated Sire, or a Non-Arabian Nominated Sire bred to an Arabian mare, or a Non-Arabian Nominated Sire (Anglo-Arabian Stallion or Thoroughbred Stallion) bred to an Arabian, Anglo-Arabian or Thoroughbred Mare, or out of a Nominated Dam bred to a Non-Arabian Stallion, Arabian Stallion or a Nominated Sire, or an Anglo-Arabian Nominated Dam bred to a Nominated or Non-Nominated Thoroughbred or Anglo-Arabian Sire, or Nominated Sire. All registration eligibility requirements must be met as outlined in REG 101-105 and/or 106. (Refer to SWP 106.3-106.6) It is the responsibility of the original nominator to verify that the foal is eligible for registration. Breeder/Nominator is nominating the in-utero foal at their own risk as to the eligibility for registration - acceptance of the nomination in no way guarantees that the resulting foal will be approved for registration and is non-refundable. When multiple embryo transfers (by the same sire/dam/owner/foaling year) are submitted by one nominator, the first registration application(s) received for that particular cross by AHA will be linked to the in-utero foal record(s). In the event that the nominator makes application for registration at the exact same time for more embryo transfer foals than he/she has in-utero nominations available, then the nominator will be contacted for an official order in which he/she wishes the foals to be registered. (BOD 11/12) All breeding entries must be enrolled by **December 31** in the year in which they are conceived. Every fourth Breeding Entry enrolled in the same year by the same owner may be enrolled at one half price. The discount applies to each submission of at least four entries submitted at the same time. Late enrollments will be accepted postmarked/electronic transaction dated **January 1 through February 15** the year the foal is due with an additional \$100 late fee. Proof that the mare has not foaled prior to February 15th may be required along with the entry form. This entry is eligible to win Sweepstakes Prize Money in any Sweepstakes-designated payback classes for the life of that horse. This entry category allows for eligibility to compete in the Regional Yearling Sweepstakes Breeding classes. (Refer to SWP 109.16 for Deceased Foal Credit.)
2. Original Entry: **(Note: this category has been permanently closed as of June 1, 2011, Horses previously enrolled as Original Entries will continue to be awarded Sweepstakes prize money) (BOD 2/11)**
Eligible to win Prize Money in any Sweepstakes-designated payback classes for that horse's life.
3. Nominated Sire: \$2,000. (\$1,000 if colt or stallion is currently enrolled in Sweepstakes as a Breeding Entry.)

- a. Late enrollments will be accepted postmarked **January 1 through February 15** of the year the foal is born with an additional late fee of \$100.
 - b. Open to any Arabian Stallion (living or deceased) registered with AHA, the Canadian Arabian Horse Registry or registered in a currently recognized source registry as defined in REG 105.1. (BOD 8/15) Foals must be eligible to be registered with AHA or CAHR. Payment of the one-time entry fee makes all foals sired by the enrolled stallion eligible to be entered in the Sweepstakes as Breeding Entries.
 - c. Enrollment as a Nominated Sire does not make the stallion eligible to win prize money in Sweepstakes-designated payback.
4. Nominated Dam: \$1,000.

Open to any living Arabian mare registered with AHR or CAHR. Must be bred to either a non-Arabian stallion for the resulting Half-Arabian in utero foal to be eligible as a Breeding Entry or to an Arabian Stallion or Nominated Sire to have the resulting Arabian in utero foal to be eligible as a Breeding Entry. Payment of the one-time enrollment fee makes all foals resulting from the above breeding combinations eligible to be enrolled in the Sweepstakes as Breeding Entries. Mare must be nominated by **December 31** of the year of conception. Late enrollments will be accepted postmarked from **January 1 through February 15** of the year the foal is born with an additional late fee of \$100. (BOD 10/14) Enrollment as a Nominated Dam does not make the mare eligible to win prize money in Sweepstakes-designated payback events.

5. Anglo Arabian Nominated Dam - \$1000
Open to any living Anglo-Arabian Mare registered with AHA or CPAR. Must be bred to a Nominated or non-nominated Thoroughbred or Anglo-Arabian Sire, or Nominated Sire for the resulting in utero foal to be eligible as a Breeding Entry. In addition the resulting foal must meet the registration requirements for an Anglo-Arabian. (Refer to REG 103) Payment of the one-time enrollment fee makes all subsequent foals of the Nominated Anglo Arabian Dam resulting from any of the above eligible stallions, eligible to be enrolled in the Sweepstakes as Breeding Entries. Mare must be nominated by **December 31** of the year of conception. Late enrollments will be accepted postmarked from **January 1 through Feb. 15** of the year the foal is born with an additional late fee of \$100. Enrollment as an Anglo-Arabian Nominated Dam does not make the mare eligible to win prize money in Sweepstakes-designated payback events.
6. Non-Arabian Nominated Sire. \$2,500 (\$1,250 if the Half-Arabian/Anglo-Arabian colt or stallion is currently enrolled in Sweepstakes as a Breeding Entry.)
Open to any Non-Arabian Stallion (living or deceased). (BOD 8/15) Payment of the one-time entry fee makes all foals sired by the enrolled stallion and out of a registered Arabian, Anglo-Arabian or Thoroughbred mare, eligible to be enrolled in the Sweepstakes as Breeding Entries as long as registration requirements are met in REG 102 and 103 for Half-Arabian and Anglo-Arabian offspring. Enrollment as a Non-Arabian Nominated Sire does not make the stallion eligible to win prize money in Sweepstakes designated payback events, and does not make the stallion eligible to participate in the sire payback program.

GENERAL

7. All fees must be paid in U.S. dollars. Refer to current fee schedule in AHA directory. All fees are non-transferable except for the deceased foal credit. See Breeding Entry.
8. All fees are non-refundable (Refer to SWP 109)
9. Payment of entry fees must be postmarked/electronic transaction dated no later than the last applicable enrollment date provided for in SWP 106 in order to prevent the fee from increasing to the next higher fee level. If payment of entry fees is made pursuant to the Deferred Billing Agreement set forth in SWP 107 of these Rules and Regulations, the down payment and fully executed Deferred Billing Agreement must be postmarked/electronic transaction dated no later than the last applicable enrollment date provided for in SWP 106 in order to prevent the fee from increasing to the next higher fee level.

10. In order to compete for Sweepstakes Prize Money, all entry requirements as outlined in SWP 103 and 104 must be received by AHA prior to participation where Sweepstakes prize money is anticipated to be won. Any prize money won will be withheld until all entry requirements have been met. If the entry requirements are not completed in a satisfactory manner, SWP 103.4 will apply and prize money won will be forfeited.
11. Payment of the total fee required to enroll a horse in an entry classification enrolls it in that entry classification for its lifetime. If payment is made on a Deferred Billing Agreement, all payments must be satisfied before the Sweepstakes logo will be printed on the horse's Certificate of Registration. If a Certificate of Registration (for horses registered with AHA) has already been issued, a replacement Certificate will be reprinted with the Sweepstakes logo upon return of the original Certificate of Registration and payment of the replacement fee.
12. It is the responsibility of the Breeder/Nominator of a Breeding Entry to verify that the unborn foal's sire is a Nominated Sire or a Non-Arabian Nominated Sire, or mare is a Nominated Dam or Anglo-Arabian Nominated Dam. However, Breeding Entry fees will be refunded (less a processing fee) if, after making payment, an owner learns that the Nominated Sire or a Non-Arabian Nominated Sire, or Nominated Dam or Anglo-Arabian Nominated Dam was not on ABS's current list of Nominated Sires or Non-Arabian Nominated Sires, or Nominated Dams or Anglo-Arabian Nominated Dams at the time payment was made.
 - a. If the Sweepstakes nomination of a Nominated Sire or a Non-Arabian Nominated Sire is canceled for failure to complete the payments agreed to be made under SWP 107, Deferred Billing Agreement, the Nominated Sire or a Non-Arabian Nominated Sire shall be removed from the ABS's current list of Nominated Sires or Non-Arabian Nominated Sires, but the offspring of that stallion conceived prior to the publication date of the fact that the stallion has been removed shall be eligible for enrollment as Breeding Entries unless otherwise stated.
 - b. If the Sweepstakes nomination of a horse in SWP 105.c., d., e. f. is canceled because its registration has been canceled by the registry in which it is registered, horse shall be removed from the ABS's current list of eligible Sires or Dams, and the offspring of that stallion or mare shall not be eligible for enrollment as Breeding Entries in the Sweepstakes. Sweepstakes enrollments for living offspring of such a stallion or mare enrolled as Breeding Entries or Yearling Entries in the Sweepstakes shall be canceled. Breeding and Yearling Entry fees will not be refunded if the Sweepstakes enrollment of the Breeding Entry or Yearling Entry is canceled as a result of the cancellation of the Sweepstakes nomination of its Nominated Sires or Nominated Dams because its registration has been canceled by the registry in which it is registered. However, if the Nominated Sire's or Dam's Sweepstakes nomination is subsequently reactivated, and the stallion or mare is reinstated on ABS's list of Nominated Sires or Dams, the offspring of the stallion or mare shall be eligible for re-enrollment and enrollment as Breeding Entries.
13. The ABS list of Nominated Sires, Non-Arabian Nominated Sires, Nominated Dams or Anglo-Arabian Nominated Dams will be designated with a symbol indicating that the mare or stallion has tested clear for SCID if your mare or stallion tests SCID Clear and proper documentation is received by the AHA office. (ABS 2/98)

SWP 107. DEFERRED BILLING AGREEMENT

- b. Payments must be made in accordance with the terms of the properly executed Deferred Billing Agreement.
- c. If full and timely payment is not made or if a default occurs pursuant to the terms of the Deferred Billing Agreement, all payments made, and prize money, sire payback and Breeder/Nominator money won by the horse shall be forfeited and the entry will be dropped from the program. The dropped applicant(s) is not entitled to submit another entry on a deferred billing agreement for a period of 5 (five) years.

Sweepstakes Deferred Billing Agreements will be non-transferable and non-assignable unless there is an existing Deferred Billing Agreement covering a number of horses and a new or divided ownership is known to the AHA, the obligation relating to the new ownership may be assumed by the new owner as long as all payments are current. In this event, the existing Deferred Billing Agreement may be paid in full or new Deferred Billing Agreement may be set up reflecting the change to the original Deferred Billing Agreement. SWP 108. CERTIFICATE AND AHA REGISTRATION PAPERS

1. The person enrolling a horse can receive a new Certificate of Registration with the Sweepstakes classification in which the horse has been enrolled (original Certificate of Registration must be submitted to AHA with a replacement Certificate fee along with a written request). A horse shall not be deemed enrolled in the Sweepstakes and shall not be entitled to receive any prize money or sire payback money until all requirements are met under SWP 103 and 104 A horse's enrollment in the Sweepstakes shall be deemed to be pending until receipt of full payment of all amounts due in accordance with the terms of the Deferred Billing Agreement.

A transfer fee per entry is applicable when ownership of an enrolled horse changes.

SWP 109. STERILITY, CASTRATION, DEATH OF AN ENROLLED HORSE

STERILITY

1. If a Nominated Sire is proven to be sterile within 12 months of the date of Sweepstakes enrollment as a Nominated Sire, and proper documentation from a veterinarian, including castration certificate, is submitted to AHA substantiating that no foals have been conceived from a breeding by this stallion, the Nominated Sire fee paid for that stallion will be credited to the recorded owner's Sweepstakes account, and the Nominated Sire enrollment will be canceled. All rights and privileges as a Nominated Sire will cease.
2. If a Non-Arabian Nominated Sire is proven to be sterile within 12 months of the date of Sweepstakes enrollment as a Non-Arabian Nominated Sire, and proper documentation from a veterinarian, including castration certificate, is submitted to AHA substantiating that no foals have been conceived from a breeding by this stallion, the Non-Arabian Nominated Sire fee paid for that stallion will be credited to the recorded owner's Sweepstakes account, and the Non-Arabian Nominated Sire nomination will be canceled. All rights and privileges as a Non-Arabian Nominated Sire will cease.

CASTRATION

3. When a Nominated Sire is gelded, the amount paid as a Nominated Sire will be provided as a credit voucher to the Nominated Sire owner request. The credit amount shall be reduced by 25% for each year or part thereof that the Nominated Sire was on the Arabian Breeders Sweepstakes Nominated Sire list. If the horse is registered by AHA, the castration must be officially recorded before any consideration of a credit is made. Once a Nominated Sire is gelded and a credit is applied, no Sire Payback will be paid (Sire Payback only pertains to Nominated Sires enrolled prior to December 31, 2009). Deferred Billing obligations must be paid in full before a Nominated Sire Entry credit can be issued in the form of a voucher.
4. When a Non-Arabian Nominated Sire that is a Half-Arabian is gelded, the amount paid as a Non-Arabian Nominated Sire can be credited to the Non-Arabian Nominated Sire owner's Sweepstakes account upon request. The credit amount shall be reduced by 25% for each year or part thereof that the Non-Arabian Nominated Sire was on the Arabian Breeders Sweepstakes Non-Arabian Nominated Sire list. A copy of the Certificate of Registration stating "gelding" must be submitted. Time payment obligations must be paid in full before a Nominated Sire Entry credit can be issued in the form of a voucher.
5. Effective January 1, 1999 in the event a Nominated Sire is gelded and was in good standing at the time of his castration, offspring of that stallion may be enrolled in all eligible Sweepstakes categories as if the sire were still a breeding stallion.

DEATH

6. The recorded owner of any horse registered with AHA that is enrolled in the Sweepstakes must notify the AHA office in the event of the horse's death by

sending to the AHA office a certificate of death from an accredited veterinarian. For horses registered with CAHR or CPAR, a photocopy of the horse's canceled Certificate of Registration, and the horse's original Sweepstakes Certificate must be submitted.

7. If a Nominated Sire dies within 12 months of the date of Sweepstakes enrollment, the Nominated Sire entry fee received for that horse will be provided as a credit voucher to the Sweepstakes nominator if requested in writing within 90 days of the date of the horse's death. If the Nominated Sire entry fees are credited, the unborn offspring of such a horse may be enrolled in the Sweepstakes.
8. If a Nominated Dam or Anglo-Arabian Nominated Dam dies within 12 months of the date of Sweepstakes enrollment and has not produced a live foal prior to her death, the Nominated Dam or Anglo-Arabian Nominated Dam fee paid will be credited to the nominator's Sweepstakes account if requested in writing within 90 days of the date of the horse's death.
9. In the event that a Nominated Sire or Nominated Dam dies within 12 months after it is enrolled in the Sweepstakes as a Nominated Sire or Nominated Dam, the Nominated Sire or Nominated Dam Entry fee being paid on a Deferred Billing Agreement, and there is an outstanding balance remaining on the entry fee on the Deferred Billing Agreement at the time of the horse's death, the portion of the entry fee that has been paid prior to the date of the horse's death shall be credited to the owner's other Sweepstakes accounts. A credit for the Nominated Dam will only be considered if the mare has not produced a live foal prior to her death. In such event, the unborn offspring of the horse may be enrolled in the Sweepstakes as a Breeding Entry, but the owner of the deceased sire will not be entitled to receive cash awards under the sire payback program (Sire Payback only pertains to Nominated Sires enrolled prior to December 31, 2009) of any of its offspring, following the date of the credit. The owner of the deceased sire may elect to pay the outstanding balance of the Nominated Sire Entry fee for the deceased sire. The election shall be made in writing within 90 days of the date of the horse's death, and payment of the remaining balance of the entry fee on the Deferred Billing Agreement must be submitted within 90 days of the date of the horse's death. If the election is made and the remaining balance of the entry fee on the Deferred Billing Agreement is paid, the owner shall be entitled to receive cash awards under the sire payback program (Sire Payback only pertains to Nominated Sires enrolled prior to December 31, 2009) for any of the sire's offspring. (Refer to SWP 119)
10. If a Non-Arabian Nominated Sire dies within 12 months of the date of Sweepstakes enrollment, the Non-Arabian Nominated Sire fee paid for him will be credited to the nominator's Sweepstakes account if requested in writing within 90 days of the date of the horse's death and a certificate of death from an accredited veterinarian is submitted to the AHA office. His unborn offspring may be enrolled in Sweepstakes.
11. In the event that a Non-Arabian Nominated Sire dies within 12 months after it is enrolled in the Sweepstakes as a Non-Arabian Nominated Sire, the Non-Arabian Nominated Sire fee is being paid on a Deferred Billing Agreement, and there is an outstanding balance remaining on the entry fee on the Deferred Billing Agreement at the time of the horse's death, the portion of the entry fee that has been paid prior to the date of the horse's death shall be credited to the owner's other Sweepstakes accounts. In such event, the unborn offspring of the horse may be enrolled in the Sweepstakes as a Breeding Entry.
12. In the event that a Nominated Sire dies after 12 months in which it was enrolled in the Sweepstakes, the entry fee for that sire shall not be credited. The unborn offspring of the deceased sire may be enrolled in the Sweepstakes as a Breeding Entry, and the owner of the deceased sire shall receive cash awards under the Sire Payback Program (Sire Payback only pertains to Nominated Sires enrolled prior to December 31, 2009).
13. In the event that a Non-Arabian Nominated Sire dies after 12 months in which it was enrolled in the Sweepstakes, the entry fee for that sire shall not be credited. The unborn offspring of the deceased sire may be enrolled in the Sweepstakes as a Breeding Entry.
14. In the event a Nominated Sire is deceased and was in good standing at the time of his death, offspring of that stallion may be enrolled in all eligible

Sweepstakes categories as if the sire was living. This provision is retroactive to the inception of the Sweepstakes program.

15. In the event a Non-Arabian Nominated Sire is deceased and was in good standing at the time of his death, offspring of that stallion may be enrolled in all eligible Sweepstakes categories as if the sire were living.

LIVE FOAL GUARANTEE

16. In the event that a breeding between a Nominated Sire and a mare, or a Nominated Dam and a Non-Arabian Stallion/Arabian Stallion/Nominated Sire, or a Non-Arabian Nominated Sire and an Arabian mare or an Anglo-Arabian Nominated Dam bred to a Nominated or non-nominated Thoroughbred/Anglo-Arabian Sire/Nominated Sire does not result in a live foal (i.e., abortion, death of mare, etc.), the fee paid may be transferred to another unborn foal in any following year, provided that a death certificate for the foal or mare, signed by an accredited veterinarian, is submitted to the AHA office. If applicable, a photocopy of the dead mare's canceled Certificate of Registration should be provided to the AHA office. A new Breeders Sweepstakes Entry Form must be completed and returned with the Dead Foal Credit voucher when you nominate a future unborn foal using the Dead Foal Credit as payment. (Refer to SWP 106) Under the live foal guarantee, the \$400 Breeding Entry fee may be transferred for any following year to a foal of any mare under the same ownership, providing a death certificate signed by a veterinarian is submitted. For purposes of this provision, a live foal is any foal that stands and nurses without assistance 30 days after parturition. A \$200 Breeding Entry fee credit may be issued if the death of the foal occurs more than 30 days after parturition but before **December 31** of the foaling year. If the Breeding Entry was submitted on a Deferred Billing Agreement either the balance owing for that Agreement must be satisfied before any consideration of a credit will be made, or the balance owing for that entry will be forgiven and the money paid for that entry will be forfeited.

SWP 112. EXAMINATION OF ENTRIES AND VERIFICATION OF IDENTITIES

1. By enrolling a horse in the Sweepstakes, the owner grants ABSC the right to have the enrolled horse examined or inspected for any purpose, including but not limited to the purpose of verifying its identity, by AHA officials, staff, or any other person that ABSC request to make such examination or inspection.
2. In the event that doubt should arise regarding the identity of any horse enrolled in the Sweepstakes, ABSC shall make every effort to verify that horse's identity, including but not limited to blood typing or DNA testing. ABSC shall have the right to withhold any Sweepstakes prize money or Breeders Incentive money that would otherwise be due and payable pending the outcome of an investigation to verify a horse's identity. In the event the horse's identity cannot be satisfactorily verified, the horse's Sweepstakes enrollment shall be canceled, and no further prize money or Breeders Incentive money shall be paid to the party whose name appears on the Certificate of Registration.

In the event the horse's identity cannot be satisfactorily verified and the horse is enrolled as a Non-Arabian Nominated Sire (with the exception of Half-Arabian stallions) and horses registered with CAHR or CPAR, the horse's Sweepstakes Certificate shall be cancelled and no further prize money shall be paid to the party whose name appears on the Sweepstakes Certificate. Horses registered with AHA, no further prize money or Breeders Incentive money shall be paid to the party whose name appears on the Certificate of Registration.

3. The AHA office will advise the recorded owner in writing of any proposal to cancel the Sweepstakes enrollment of a horse and the reasons supporting this proposal.

Neither the AHA nor its directors, officers, employees, representatives, agents, nor members of the ABSC, the Trustee and the Trust shall be liable in any way, whether in damages or otherwise, in connection with the issuance of any Sweepstakes Certificates for Non-Arabian Nominated Sire (with the exception of Half-Arabian stallions) and horses registered with CAHR or CPAR, for the transfer of any Sweepstakes Certificates and/or enrollments, for the refusal to issue a Sweepstakes Certificate for Non-Arabian Nominated Sire (with the exception of Half-Arabian stallions) and horses registered with CAHR or CPAR, for the refusal to transfer any Sweepstakes Certificate and/or enrollment, for the cancellation of any Sweepstakes Certificate and/or enrollment, or for any other activities engaged in by, or on behalf of, the AHA or the ABSC in connection with the Sweepstakes. Further, the AHA, Trustee or the Trust shall not be liable to pay out any funds for the administration or award of prizes for the Sweepstakes except from the principal and interest of the funds placed in the Trust which has been set up to handle the Sweepstakes funds.

SWP 115. DISPUTE RESOLUTION AND AMENDMENTS TO RULES

1. In the event that any dispute or issue should arise regarding the implementation of the Sweepstakes which cannot be resolved solely by reference to these rules or which requires that they be interpreted, the dispute or issue shall be resolved by decision of the ABSC, upon a written petition submitted by an interested party to Sweepstakes at AHA. The petition should not be submitted to an ABS Commissioner(s), as all cases are reviewed on an anonymous basis. All decisions by the ABSC on disputes or issues raised under the provisions of this section shall be consistent with the purpose of the Sweepstakes Trust, which is to preserve and protect the principal of the Trust for use in maintaining the Sweepstakes. Written notice of the decision of the ABSC stating the basis for the decision shall be sent to the petitioning party. All decisions made by the ABSC will be final.
2. ABSC may recommend changes to these rules with final approval by the Trustee.
3. Recovery of Sweepstakes Prize Money Wrongfully Received. If, in accordance with applicable protest or disciplinary procedures of AHA, USEF, or EC, a determination by any of these entities or an error in reported event results, establishes, expressly or implicitly, that a person or horse was not qualified to participate in the Sweepstakes program and prize money, or Breeders Incentive Payback was received, all such money shall be refunded to AHA. In the event that AHA is required to refer any such matter for collection to an attorney or collection agency, or to institute legal proceedings, AHA shall, in addition to the Sweepstakes prize money, or Breeders Incentive Payback wrongfully received, be entitled to recover from the person receiving said money interest at the rate of 12% per annum compounded annually from the date the money was received, as well as all costs of collection, including reasonable attorney's fees and collection agency fees.

FUT 101. GENERAL PROVISIONS

- The U.S. and Canadian National Futurities (Res. 10-80) are progressive programs for three-year-old Arabian colts, fillies, and geldings, and Half-Arabian/Anglo-Arabian fillies and geldings. (Res. 73-71) Horses (sires, dams, and foals) must be registered with the Arabian Horse Association Registries, the Canadian Arabian Horse Registry or the Canadian Partbred Arabian Register.
- The U.S. and Canadian National Show Commissions will be responsible for: (BOD 12/15)
 - Dividing classes
 - Class entry fees
 - Close of entry date
 - Scheduling classes

FUT 102. ELIGIBILITY

- Nominations.
 - The nomination must be made on the dam of the foal postmarked/electronic transaction dated on or before **December 31** of the year prior to birth, and the fee of \$30 per mare per country paid to the Arabian Horse Association. Nominations postmarked/electronic transaction dated after **December 31 will be accepted through February 15** of the year the foal is born with an additional \$100 fee per horse per country. (BOD 11/05) The entry form and fees paid will be returned to the owner listed on the entry form.
 - Nominations must be made on an official National Breeding & In-Hand Futurity form and information shall include name and number of dam; name and number of sire; and year foal is due.
 - There is a **\$40** processing fee per mare per country to be paid at the time of original nomination. (BOD 3/17) This is in addition to your nomination fee and is a one-time charge only. The \$100 late fee for a new nomination will be retained by the AHA office.
 - No fees shall be refunded if nomination requirements are not fulfilled, the mare nominated does not produce a foal, if the nominee dies or if the nominee is gelded or spayed before the date of the show in which he or she would be eligible to show as an entire colt or filly.
 - All fees are non-transferable with the following **exception**: Upon presentation of a veterinary certificate stating that a mare has not

- produced a live foal (defined as a foal that stands and nurses within 30 days after parturition) the nominated mare's nomination fee will be applied to a new nomination in the subsequent year. The nomination fee for the subsequent year may be transferred to another mare having the same ownership. This subsequent year's transaction will require payment of an additional \$25 processing fee. (Res. 24-94)
- f. If a transfer is to be made to a succeeding year's foal, a new entry form must be submitted by the nominator.
 - g. When multiple embryo transfers (by the same sire/dam/owner/foaling year) are submitted by one nominator, the first registration application(s) received for that particular cross by AHA will be linked to the in-utero foal record(s). In the event that the nominator makes application for registration at the exact same time for more embryo transfer foals than he/she has in-utero nominations available, then the nominator will be contacted for an official order in which he/she wishes the foals to be registered. (BOD 11/12)
2. Renominations.
 - a. In order to show, a Futurity entrant must pay the following fees:
 - 1) Nomination fee is \$30 per mare per country postmarked/electronic transaction dated on or before **December 31** prior to year of birth, along with a \$40 processing fee. (BOD 3/17)
 - 2) \$35 per horse/per country postmarked/electronic transaction dated on or before **December 31** of year of birth (weanling).

 - 5) \$100 before closing of show entries for the show holding the National Futurity classes the third year after birth (three-year-old).
 - b. A copy of the Certificate of Registration must be submitted at the time the first re-nomination and payment are submitted. If a change in ownership occurs for a CAHR or CPAR registered horse, a copy of the transferred Certificate of Registration must be submitted to AHA with a transfer fee. A transfer fee will be assessed if the owner on the Certificate of Registration differs from the owner listed on the original Nomination Form. If a futurity nominee is sold that is registered with CAHR or CPAR, it becomes the responsibility of the new owner to inform AHA of the change of ownership and the new owner will be responsible for paying a transfer fee as well as paying the re-nomination fees as they become due.
 - c. AHA shall not be responsible for any disputes arising through change of ownership.
 - d. Late Penalty (See FUT 104.2). A penalty of \$100 per horse per country plus the re-nomination fee will be accepted for RENOMINATIONS only if postmarked/electronic transaction dated between **January 1 and March 31** of each year.  - f. Original nomination forms will be sent to each owner on the AHA mailing list or published in the AHA publication.
 - g. Re-nominations will be sent to the owner of record each year. It is the responsibility of the owner to re-nominate their horses prior to the stated deadlines even if the owner does not receive the re-nomination forms from AHA for any reason.
 - h. A colt upon being gelded may be transferred to the gelding class at any time prior to the close of entries for the show holding the National Championship Futurity classes the third year after birth (three-year-old). A castration report or a copy of the Certificate of Registration of a CAHR or CPAR horse showing "gelding" must be submitted to update the record.
 - i. Nomination fees do not include show entry fees, drug fees, stall fees, etc. Nomination into the Halter Futurity Program does not constitute entry into the U.S. National Show.  - j. Half-Arabians must have DNA type of the horse and horse's purebred Arabian parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the stated purebred sire or purebred dam through DNA type testing in order to compete in the Halter Futurity classes at Canadian and U.S. Nationals. In the event that AHA is required to refer any such matter for collection to an attorney or collection agency, or to institute legal proceedings, AHA shall, in addition to the Halter Futurity prize money wrongfully received, be entitled to recover from the person receiving said money interest at the rate of 12% per annum compounded annually from the date the money

was received, as well as all costs of collection, including reasonable attorney's fees and collection agency fees.

FUT 105. PRIZE MONEY PAY-OUT PROCEDURES

1. Prize money will be paid only to the recorded owner at the time of the show. Checks for prize money shall be mailed within 60 days after completion of the show.
2. The Social Security Number or Federal Taxpayer Identification Number must be on file with AHA before prize money is released. If this information is not on file or is not provided within 120 days after notification, all prize money will be forfeited. If transfer or prize money requirements are not fulfilled by **June 30** of the calendar year following the year in which the prize money is won, the prize money shall be forfeited. Foreign residents winning prize money at an event held in the United States will be subject to income tax of 30% per Internal Revenue Service regulations. This amount will be withheld from total winnings. To obtain more information on this matter, contact the Internal Revenue Service as the Arabian Horse Association is not able to render advice on matters of taxation. In addition, if a prize money check is issued and not presented for payment by **June 30** of the year following the year in which the prize money was won, the prize money shall be forfeited. In addition to a youth newsletter included in *Arabian Horse Life* detailing all upcoming youth events, a member will receive a Membership Card, information on youth programs and activities, and availability of educational material and programs. This membership does not count toward determining AHA Delegates nor does it carry voting rights for AHA.
2. Contact your nearest AHA Member Organization for information on Youth Membership. If your local Member Organization is unknown, write to the Membership Division at AHA.

YTH 102. ARABIAN HORSE JUDGING CONTEST

This contest abides by the National Horse Judging Team Coaches Association (NHJTCA) judging contest rules. It is held in conjunction with the U.S. National Championship Horse Show and continues to be one of the most prestigious youth events in the country. Teams will have the chance to evaluate the conformation and quality of some of the finest Arabians. Awards will be available to all winning participants. Contact the AHA office for program entry forms, Rules and Regulations, and any further information.

YTH 103. HORSE JUDGING & CONTEST JUNIOR DIVISION ELIGIBILITY

Junior divisions to be 4-H and FFA teams or AHA teams.

1. Age. This competition is open to youth who have not passed their 19th birthday prior to **January 1st** of the current year and who have not participated in a collegiate horse judging contest. Junior members can be enrolled in any year of college as long as they have not competed on a college judging team and are eligible in all other ways. Contestants must be bona fide members of a state 4-H or state FFA team/individual or be a member of a team/individual sponsored by an AHA Member Organization.

TEAM ENTRY

2. Team Entry. Each state is invited to enter one or two 4-H and one or two FFA teams, and these teams must be recognized by their respective state's 4-H or FFA office. AHA Member Organizations are invited to sponsor and enter one or two teams. Two separate categories will compete in the AHA Junior Division of the contest: (1) AHA Member Organization junior teams, and (2) 4-H and FFA teams. Many states already have state-wide 4-H and FFA judging competitions and select their teams from the winning team or Top Ten individuals. We urge states that do not have state-wide competition for 4-

H and FFA to set up such a program for the benefit of their respective organization in order to be able to select their eligible team. A team may be composed of three or four contestants. If four contestants are entered as a team, the three highest scores will constitute that team's total score. Team coaches will verify the eligibility of each contestant as to age, school status, and membership in their respective organization at time of entry.

3. All past high overall individuals in the 4-H/FFA or Junior AHA categories are not eligible to compete in the same category of the Junior Division, but may subsequently compete in another category.
4. All Junior AHA Team contestants must be current members of AHA at the time of the contest.

INDIVIDUAL ENTRY

5. Individuals from any 4-H, FFA or Membership Organization are eligible for individual awards, however they must be members in good standing with 4-H, FFA or an AHA Membership Organization. Any individuals competing with 4-H or FFA must be recognized by their respective state's 4-H or FFA office. (BOD 1/18)

YTH 104. HORSE JUDGING CONTEST SENIOR DIVISION ELIGIBILITY

(Res. 5-73)

TEAM ENTRY

2. Team Entry. Each college, university, or AHA Member Organization is invited to enter one or two senior teams. A team is to be composed of five contestants. The top four scores constitute that team's total score.
