Junior members can be enrolled in any year of college if they have not competed on a college judging team and are eligible in all other ways. AHA Member Organizations are invited to sponsor and enter **one or two** teams. Two separate categories will compete in the AHA Junior Division of the contest: (1) AHA Member Organization junior teams, and (2) 4-H and FFA teams. **Many states already have state wide 4-H and FFA judging competitions and select their teams from the winning team or Top Ten individuals. We urge states that do not have state wide competition for 4-H and FFA to set up such a program for the benefit of their respective organization in order to be able to select their eligible team.** A team may be composed of three or four contestants. If four contestants are entered as a team, the three highest scores will constitute that team's total score. Team coaches will verify the eligibility of each contestant as to age, school status, and membership in their respective organization at time of entry.
3. **All past high overall individuals in the 4-H/FFA or Junior AHA categories are not eligible to compete in the same category of the Junior Division but may subsequently compete in another category.**
