Fusion Academy Named Exclusive Education Partner of the Arabian Horse Association

Partnership brings 1-to-1 classes and flexible scheduling to families in competitive riding

ADA, MI, November 10, 2026: Fusion Academy, a fully accredited 1-to-1 private school for grades 4-12 with 80+ campuses nationwide, today announced it has been named the exclusive education partner of the Arabian Horse Association (AHA). The partnership connects AHA families with personalized 1-to-1 instruction and flexible scheduling designed around the demands of competitive riding.

“The young riders in the Arabian horse community train and compete at a level most people never see, and they deserve a school that takes their education as seriously as they take their sport,” said Bryan Lively, CEO of Fusion Academy. “Fusion was built for students whose lives don’t fit a traditional school day. We can give these families 1-to-1 classes and scheduling built around the season, so students don’t have to choose between riding and learning.”

In Fusion’s 1-to-1 classes, teachers adapt each lesson to a student’s pace, strengths, and interests. Classes can be scheduled between 7:30 a.m. and 7:30 p.m., and in-person, virtual, and hybrid options keep students learning whether they’re on campus or on the road. Rolling enrollment lets students start at any time of year.

The partnership launched at the 60th anniversary U.S. Nationals in Tulsa, Oklahoma, Oct. 22-31, where Fusion Academy was the signature sponsor of AHA’s youth initiative, supporting three programs: the Black Stallion Literacy events, the Tail Tours, and Meet an Arabian.

“Education has always been central to the Arabian Horse Association’s mission, and that commitment extends to the young people who will carry this breed and this sport forward,” said Taryl O’Shea, CEO of the Arabian Horse Association. “Fusion Academy shares our belief that every student deserves to reach their full potential. Their partnership gives our youth members the flexibility to excel in the classroom while pursuing their passion for the Arabian horse.”

About the Arabian Horse Association

The Arabian Horse Association is a full-service nonprofit breed association dedicated to the promotion, preservation, and advancement of the Arabian horse breed while supporting the breeding, competitive, and recreational interests of owners, breeders, competitors, and enthusiasts across the United States and Canada. Through nationally recognized competitions, registration services, educational initiatives, youth and community engagement programs, and official event and performance record management, the Association works to encourage participation, responsible breeding, and lifelong involvement within the Arabian horse community. The organization administers approximately $1 million in annual prize money through its prestigious national events and competitive programs.

In 2026, the Arabian horse community celebrated a historic milestone as the “Year of the Horse” coincides with the 60th Anniversary of the Arabian and Half-Arabian U.S. Nationals in Tulsa, Oklahoma. More than 1,700 horses competed for national titles during the championship event, honoring six decades of excellence, tradition, and achievement in Arabian horse competition.
