*** A horse that is co-owned by two distinct non family members per USEF AR110.e. 1 – 10 cannot be shown in the ABS AAOTR Jackpot Classes or Performance Maturity AAOTR Classes at any National Show.

The fact that prize money went to a person other than the owner or family member.

- f. Class entry fees will be refunded for all non-qualified classes only. All qualified horses/riders entered in a class including classes where cross entry is not permitted will not be refunded.

GR 9 CONTROLLED PADDOCK PROCEDURE

Since the controlled paddock was first instituted, the use of large plastic bags and other items has escalated well beyond what is necessary to assist our in-hand horses into the arena. Additionally, we have erred by not clearly stating how this one specified person appointed by either the show committee or the exhibitor is to go about assisting with entrance(s) into the arena. It is well past time for us to establish these parameters and we ask for the support of all our owners and spectators in understanding that these parameters are for the welfare of our horses and our breed. These parameters will also help remove some of the negativity expressed regarding the current practices of how our in-hand horses are presented to the judges and to the public.

2021 GENERAL RULES FOR ALL NATIONALS SHOWS

The one specified person assisting with entrance of in-hand horses into the ring will be allowed to use only the same length whip and appendages as are currently allowed for the individual handling the horse. Rule reference AR 114.2: Whips are to be no longer than 6' including snapper/lash/appendage. Small appendages (no more than 12 inches in length) of ribbon, plastic, etc. are permitted.

The designated person will not hit or use any other objects, such as trash cans, walls, etc., to make any noise.

In addition, effective immediately, the use of plastic or paper bags of any type or size is prohibited in assisting with entrance(s) into the arena. It is the responsibility of Show Management, along with the USEF Steward(s) to ensure the "designated person" understands this policy and their role. Should this rule/policy be violated, a warning card may be issued to both the handler and the designated person or groom who initiates this violation

GR 10 COVID AND HEALTH PROTOCOLS

Exhibitors are advised that All AHA National Shows will follow the current guidelines put in place in accordance with the recommendations of the CDC, WHO, USEF and AHA in regard to social distancing and public health that are in place at the time of each National Show. Please check the AHA web site for updates.

GR 11 DISCIPLINE

Exhibitors are advised that any act of discourtesy or disobedience to the officials of this show on the part of the owner, lessee, trainer, groom, rider, driver, handler or member of the family of the person participating in the show will disqualify the horse from adjudication. The management reserves the right to remove any horse, owner, lessee, trainer, groom, rider, driver, handler, or member of the family of the person participating in the show from the show grounds without being liable for compensation of damages.

Any action(s) against a horse which are deemed excessive by a Judge, Steward or Show Veterinarian, in the show ring or anywhere on the competition grounds, may be punished by official warning, elimination, or other sanctions which may be deemed appropriate by the Commissions or the Judges & Stewards Commissioner. Such action(s) could include, but are not limited to, excessive use of whip, spurs, or bamboo poles. It is a violation of USEF and Equestrian Canada rules to commit any act or make remarks during the show that are considered offensive or made with the intent to influence or cast aspersions on the judging. (Refer to the current USEF and Equestrian Canada Rule Books).

GR 12 DISPUTE NOT COVERED BY RULES

Should any question or dispute arise not provided for in the governing rules of USEF or AHA, the question or dispute shall be referred to the Show Committee, whose decision will be final.

GR 13 DISQUALIFICATION

Refer to current USEF and Equestrian Canada Rule Books. For clarification on how a disqualified horse is replaced, refer to the current AHA Handbook.

GR 14 DNA TESTING

The Arabian Horse Association reserves the right to do DNA testing at ANY National Show by collecting hair samples (or blood sample, if necessary) from Arabian, Half-Arabian or Anglo-Arabian horses. Samples will be collected under the overall supervision of the Registry Services Department. Any questionable results will go through the standard investigation process of that department. Prize money may be withheld pending the outcome of questionable results. All Half-Arabians competing in the Halter Futurity and Performance Futurity/Maturity/Derby must have DNA type on file of the horse and horse's purebred Arabian Parent placed on permanent record with the AHA Registry and the horse has been shown to qualify as an offspring of the purebred sire or purebred dam. DNA must be on file with the AHA office before the horse will be eligible to compete in these classes.

GR 15 DOGS & OTHER PETS/ANIMALS

No dogs will be allowed in the main arena or paddock area with the exception of Companion/Guide Dogs, and in accordance with USEF Rules. Dogs are not permitted to be loose on competition grounds and must be on a leash or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners are solely responsible for any damages, claims, losses or actions resulting from their dogs' behaviors.

Dog owners failing to comply with this rule may be subject to penalty under USEF Chapters 6 and 7, as well as issuance of warning cards. The Show Management further reserves the right to fine any exhibitor or farm whose dog is running loose and has to be confined by show officials. The first offense will be up to \$50.00. The second offense will be up to \$100.00 and expulsion of the animal from the show grounds.

No animal other than horses, dogs or cats are allowed on the show grounds without the express written consent of the National Show Commission. No animals other than horses shall be allowed on the grounds for the purpose of being sold.

GR 16 DRUG TESTING, SHOE & HOOF MEASURING

Complimentary hoof measurements will NOT be provided by USEF/EC Stewards at any National Show.

It is the prerogative of Show Management to require drug testing or to require the inspection of shoes, pads and/or hoof length for any entry at any time during the show. This is to be accomplished prior to the horse leaving a prearranged inspection area. All horses competing in the Arabian, Half-Arabian and Anglo-Arabian Hunter, Jumper, Dressage, Eventing, Combined Driving, Pleasure (Carriage) Driving, Working Western, and Sport Horse Sections are exempt from shoeing regulations. This does not exempt horses that are cross entered into any other classes from compliance with applicable shoeing requirements while competing in those classes. See USEF Rulebook for current shoeing and toe length regulations.

Per resolution #24-04, mandatory drug testing will take place at the U.S. and Canadian Nationals. Horses will be picked at random.

GR 32 PATRONSHIPS

2021 GENERAL RULES FOR ALL NATIONALS SHOWS

National shows have patron programs with various benefits including preferred stalling, class sponsorship, seating and patron's lounge benefits. Patron seniority is based on the number of consecutive years a barn/trainer/individual has been Nationals Patron. Stalling assignments will be done based off Patron seniority and when Patronship forms are received. Any year a Patronship is missed will result in the Patron losing their seniority. In order to retain seniority, Patrons must be current every year. The National Show Commissions reserves the right to review special case requests regarding seniority, and their decision will be final. Each special case will be evaluated on its own facts and circumstances.

See the individual Patron sponsorship forms in this Omnibus for each National Show for specific benefit and cost information and deadlines..

Patronship fees are listed on the patron form for each show, and should be mailed separate from the Official Entry Form.

Any requests to change status in a Patronship, including cancellations, MUST be emailed to nationalevents@ArabianHorses.org.

All patrons who elect to use a golf cart will be held responsible for their own cart. Should their cart be damaged or stolen, the patron will be required to replace or repair the golf cart directly through the chosen golf cart vendor.

The submission of a signed Patron form constitutes an agreement by the signing party for a payment for Patronship After the entry closing date, any cancelled patronship is refundable by 50% if paid in full. If only minimum payment was made and patronship is not paid in full by date stated on form, no money will be refunded. Prior to entry closing date, patron fees may be refunded less the non-refundable deposit. After the entry closing date, patronships may still be available. Please contact AHA National Events Sales for more information.

Patronships are encouraged to be submitted before the deadline to ensure availability, seating and stalling priority.

1. PASSING DOWN PATRONSHIPS

A patron who has maintained a Patronship seniority that is retiring may elect to pass their Patronship on to an immediate family member. The family member receiving the seniority will be required to maintain the Patronship payments annually. Additionally, in order to keep the original stabling area, the family member may not exceed the number of stalls required by the original patron. To confirm the transfer of a Patronship, an email to the barn manager will be required.

2. PATRON STABLING

Patron stalling is assigned prior to any non-Patrons. Priority for Patron stalling assignments will be based on the number of continuous years as a Patron, the prior year's stalling location, and number of stalls needed.

Only the named person/stable on the Patronship is allowed to hang one set of drapes that identify the Patron farm/stable.

Piggybacking (stall with) will not be allowed. Patron farms/stables allowing other farms/stables/trainers to piggyback with them who are NOT patrons run the risk of being moved to other less desirable areas of stalling.

The entry blank (or electronic entry) must be signed by the trainer listed on the Patronship in order for the exhibitor to be stabled with said patron.

Farms, stables or trainers wishing to stall with other farms/stables in the patron stalling area must purchase a separate patronship in order to hang identifying drapes.

The Show Commissions will review class entry numbers and sections after the entry deadline and will revise the schedule accordingly if deemed necessary.

Please note No classes will be moved to an earlier day in the schedule. GROUP STABLING

Exhibitors wishing to be stabled together must send entries together in the same envelope with a stall reservation form listing all the owner names. This form must be sent with the entries, as stalls are assigned using this form. *If your name does not appear on the Stabling Request Form – we cannot guarantee you will be with the group.*

Every horse is required to be stabled on the show grounds at least 12 hours before the start of the first class in which it is to be shown and must remain continuously on the show grounds until it has completed every class in which it is to be shown.

If the number of horses entered by a trainer or owner exceeds the capacity of the original stalls requested, those horses will be stabled in the order of space available at the time the entry is received.

1. ASSIGNMENT/AVAILABILITY

Check each show as to when stalls will be available.

Please note that patronships must represent one entity ONLY, and all stalls assigned to any one patron must be designated under a single name (a company, a farm, training stable, an individual, and a family are all considered single entity). Additional stalls requested after the original stalls are purchased may not be assigned in the same location as the original stalls.

2. STALL DAMAGE

Stall walls may not be cut down. Stalls must be vacated in their original condition. Stalls may not be structurally or otherwise altered in any way (including putting nails into walls).

Any and all stalls used by exhibitors must be returned to their original condition prior to leaving the grounds.

Exhibitors will be billed for any alteration/damage to their stalls on the premises to or any required cleanup of any stalls they use.

3. HORSE STALLS

Each entered horse must pay for one stall, all others are considered tack stalls.

No subletting of stalls will be allowed.

Stalls for any non-competing horses must have an official entry form on file with the show office and be listed on the stall request form.

4. TACK STALLS

If you are ordering just tack stalls, Please do not list them only on the stall reservation form or they may be missed. Please use an entry form leaving the horse information blank.

Tack stalls will be assigned subject to their availability. Exhibitors will be allowed to order tack stalls per the individual National Show's policy. Management reserves the right to limit the number of total tack stalls due to availability. Tack stalls that are cancelled by show management will be refunded to the exhibitor.

2021 GENERAL RULES FOR ALL NATIONALS SHOWS

APAHA PRAMBLE

We, as Professional and Amateur Horsemen of the Arabian Horse Association, pledge to assume a positive role as leaders in the Arabian horse community. While achieving the goals of promoting, showing, and caring for the horse, we shall protect the health, image, and welfare of the breed. Therefore, we set forth the following standards:

HORSEMEN'S STANDARDS OF CONDUCT

We shall comply with and actively encourage all Professional and Amateur Horsemen to adhere to all rules and regulations of AHA, USEF, CAHR, and EC.

We shall instill confidence, trust, and mutual respect in our clients, fellow exhibitors, and the public by a commitment to ethical practice and avoidance of any action conducive to discrediting the Arabian horse, AHA, or our fellow horsemen.

We shall ensure that the welfare of the Arabian horse is paramount and that every Arabian horse be treated humanely and with dignity, respect, and compassion.

As Horsemen we agree that it is our obligation, not only to the horse, but to each other, to have a reciprocal relationship wherein we are compelled to comment to our peers on their actions as well as be receptive of comments on our actions, if those actions might be perceived or interpreted as abusive or inappropriate.

There should be no malicious force during training. Good horsemanship teaches a horse to respond to the aids with confidence.

Abusive practices are those that inflict injury or result in intimidation and fear. This may include jerking, spurring or whipping when employed in a manner that increases a horse's fear, confusion, or distress.

While most types of tack and training methods are not themselves abusive, we understand that anything used wrongly, over used, or over done can prove to be abusive or perceived to be abusive by onlookers.

The duration of training sessions should take into account climate conditions, intensity of work, footing and the condition of each horse to ensure there is no undue stress.

We shall conduct all business affairs with integrity, sincerity, and accuracy in an open and forthright manner.

We shall act with integrity in financial dealings with clients, professionals, and the public. We shall employ a policy of full disclosure to our horse's owners, as well as potential buyers, about all facts and knowledge regarding a horse they own or are considering purchasing.

Horsemen will never perform, condone, or allow surgical alteration or procedure on an Arabian horse unless professionally prescribed by a licensed veterinarian, and then, only for the survival or threatened health of an Arabian or Half-Arabian horse. This includes the altering of the natural carriage of the tail, which is one of our breed standards and characteristics.

Horsemen will not administer to any horse engaged in competition drugs or medications that give an unfair competitive advantage or serve no required therapeutic purpose.

AT THE DIRECTION OF THE AHA JUDGE'S & STEWARD'S COMMISSIONER AND THE AHA EDUCATION AND EVALUATION COMMISSION, THE JUDGE(S) WILL BE PENALIZING HORSES WITH UNNATURAL TAILS. CONVERSELY, HORSES WITH NATURAL TAIL CARRIAGE SHOWING EXPRESSION THAT IS NOT ANGRY OR OFFENSIVE WILL NOT BE PENALIZED.

1 st =	2 nd =	3 rd =	4 th =	5 th =

(Example: If the number of entries require two sections of eliminations be run (Section A and Section B), 7 horses from Section A and 7 horses from section B will advance to the final)

AWPA Futurity Finals Class Procedure:

Phase 1. Rail Work (80% of judging OR score)

Horses will be shown at a walk, jog and lope both directions of the ring. Judging criteria will be in this order: quality, performance, suitability, and manners. After completion of the rail work, exhibitors will be asked to line up head to tail, split evenly by numbers on either long side of the arena.

Phase 2. The Stand Up (20% of judging OR score)

Once all horses are in line, two attendants per horse will be allowed into the arena to assist with removing saddles and pads. They are allowed to bring a saddle rack, towel, and brush. They are not allowed to show the horse during judging. Riders are to stand up their horse to be assessed for quality by the judges. The horses shall stand relaxed with weight evenly dispersed on all four feet (not stretched). Whips may not be used. Once the judging panel has completed their examination of your horse, it should then be resaddled. After all horses have been retacked, riders will be asked to remount and attendants will be excused from the ring.

Phase 3. Placing and Awards

Exhibitors will be retired to the paddock after the judges turn in their cards. The Top Ten will then be called back into the ring in numerical order. The Reserve Champion and then the Champion will be placed and given their awards. The horses will leave the arena in reverse order of their placings (tenth place first and Champion last). As they exit, the prize money won by each will be announced.

BREEDING/GELDING IN-HAND CLASSES
