An aerial photograph of the Hyatt Regency DFW Airport. The central focus is a large, multi-story hotel building with a grid of windows. To the right, a tall, cylindrical air traffic control tower stands prominently. In the foreground, a complex highway interchange with several overpasses and ramps is visible, with cars driving on the roads. The background shows a vast airport tarmac area and a distant city skyline under a bright blue sky with scattered white clouds. The text 'HYATT REGENCY DFW AIRPORT DFW, TX' is overlaid in white, serif font across the middle of the image, with a small diamond-shaped graphic element below the word 'AIRPORT'.
