## **RESOLUTION** 15 – 24

46 47 48	RESOLUTION TYPE ( <b>REQUIRED</b> ): Standard Extraordinary X "If indicated as "Extraordinary", the proponent must list reasons which establish Chapter 9, RULE 101.3.a. has been met)  RULE 101.3.A).I) (3)		
49 50 51	Creates an unfairness in the competition ring by allowing previous professionals to compete at the Select and Choice levels. These riders by their previous professional status should compete against other competitors in the Elite level only.		
52	PROPONENTS FINANCIAL IMPACT (REQUIRED): Refer to Chapter 9, RULE 102.6. & 102.7 for financial requirements		
53 54 55	Up to \$3,000 to implement based on the BT hours.		
56	AHA IMPACT STATEMENT: (To be completed by AHA Staff)		
57 58 59 60 61 62 63 64 65 66 67 68 69 70 71 72 73	Resolution 16-24 also deals with changes to the Leveling Program and delegates should thoroughly vet each resolution (15-24 and 16-24) on their merits and decide on the solution they feel best resolves the issue (noting that amendments may be needed). This resolution does place it in the Arabian Rules at USEF where the rules are contained defining where riders in leveling may and may not compete. In addition, if an individual becomes a professional and discovers that they are not ready for that position, they can drop to an Amateur status following the USEF rule and still compete in leveling at the highest level (Elite/Non-Pro).  Contact Person: Leslie Lockard, Sr. Director of Competitions and Convention – leslie.lockard@arabianhorses.org  BT changes would be adding a column to the database table, modifying a view, make code changes to leveling in the Future State project, check leveling in the qualification report to not allow non-elite class. Testing will take the longest amount of time as we need to verify if the website is displaying correctly and run the qualification report. The level of effort from BT will be 40 hours.
