The Official Timer records the official time using the time clock(s) placed in the timing area; the time called and/or written is the official time.

LD CHALLENGE

This Challenge will be open to any rider/equine combination that plans to ride all 3 days in the Open LD rides. The rider must pay the \$25 entry fee for the LD Challenge before the start of the first day. This is in addition to the entry fee for each individual open ride. Because we encourage the very best care of our horses, the pulse criteria will be **60** for all LD riders at all pulse checks including completion and will have a CRI in the final Vet Check for each day. On the 3rd day, the entries in the LD Challenge will have a final Vet Check score. The placings for the 3 days will be converted into a point score which will be added to the point score for the final Vet Check to determine the 1st-5th winners. All rules are available on the AHA Distance National Webpage under Rider Information which can be found at www.arabianhorses.org/DNL.

MEALS

Dinners will be provided by ride management and are provided to riders on the day(s) they compete. Breakfast and lunch will be the responsibility of the competitor and attendees.

CAMPING

Camping at Old Selam is primitive in a field. There are no stalls available. Please be prepared to stable your horse at your trailer with portable corrals, pens, tying to the trailer or high tie. If you use electric fencing, do not blanket your horse, as they can walk through the electric fence and you are in the forest with no fences for miles. Please come with your water tanks full. We will have plenty stockpiled but all the water will be hauled in by the fire department and our volunteers.

Please scatter your manure. If your horse digs up his area at all, please fill in holes. Please leave no trace, this is our private place, and we will be the ones that will have to clean up any messes in the end.

DOGS

Dogs must be on leashes or otherwise restrained at all times. Dogs are not allowed in the dining area.

TERRAIN

The Old Selam trails are beautiful, challenging but doable and enjoyable mountain endurance ride. The weather can range from warm to quite cool, especially at night, so come prepared. You will be riding primarily old logging roads and trails. This is a mountain ride. The footing is variable with good footing with some rocky areas along the creeks. **Hoof protection of some kind is required. Also Helmets are required for all riders as per our Forest Service permit!** Please be freshly shod or if you use boots, have the bugs worked out at home. There will be a farrier and treatment vet on site. Payment is the responsibility of the rider/owner.
