Management will work with exhibitors within the time frame for each class as much as possible.

All Sport Horse In-Hand classes will utilize the "Triangle" method of presenting their horses to the judges.

In keeping with the spirit and tradition of the Sport Horse, the show commission would like to remind exhibitors of the following rules and assure their enforcement.

USEF Rule AR 115.2 lists causes for mandatory elimination from the ring, including, but not limited to, removal of eyelashes, changing the natural color of the mane and/or tail, and the use of anything other than clear or

transparent products on the hooves while being shown in Breeding and/or In-Hand classes.

USEF Rule AR 177 describes the conduct of sport horse in-hand classes. The commission would remind exhibitors the triangle will be trotted a second time only at the direction of the judge and that the horse is to be shown in an "open position" for conformation judging, otherwise the entry may be eliminated from judging consideration.

SPORT HORSE TWO-YEAR-OLD IN-HAND CLASSES

Two-Year-Old horses are NOT permitted to cross enter into the Open or Amateur to Handle classes. AHA Handbook QUAL 104.1.d)

Movement = 60 %

Conformation = 40 %.

Judging begins when the horse enters the ring. The horse shall enter at a walk to the first marker then pick up the trot to the second marker. Upon reaching the third marker the horse will walk to the judges to be presented for judging conformation. In order to satisfy a proper presentation to the judge, horses should be shown in an "open position," with horse's head and neck in a natural and comfortable carriage. Following the evaluation by the judges, horses shall walk away from the judges, and then strike a trot until they resume their position in the lineup. The scorecards will be completed by the judges, turned in and the next horse will enter the ring for evaluation.

The total points scoring system will be used. The placings will be turned into points using the points table under scoring.

Please contact AHA National Events Sales for more information.

Patronships are encouraged to be submitted before the deadline to ensure availability, seating and stalling priority.

Patronship Stabling/Rules

1. Patron stalling is assigned prior to any non-Patrons.
 - a. Every effort will be made to stable non-patron groups together that have accurately filled out their stabling request form.
 - b. Priority for Patron stalling assignments will be based on the number of continuous years as a Patron, the prior year's stalling location, and number of stalls needed.
 - c. If a Patron wishes to move to another Patron barn, they will be placed on a waiting list for that barn.
2. The entry form (or electronic entry) must be signed by the trainer listed on the Patronship in order for the exhibitor to be stabled with said Patron. A stabling form for each National Show will be used that lists horse, owner and trainer. The form should include a statement to refer to Patron stabling rules for priority stabling procedures in the omnibus.
3. The transferring of a Patronship to a non-immediate family member will not be allowed.
 - a. A Patron who has maintained a Patronship seniority that is retiring may elect to pass their Patronship on to an immediate family member.
 - b. The family member receiving the seniority will be required to maintain the Patronship payments annually. Additionally, in order to keep the original stabling area, the family member may not exceed the number of stalls required by the original Patron.
 - c. To confirm the transfer of a Patronship, an email to the barn manager will be required.
 - d. If a farm associated with a Patronship is being retired, the trainer has the right to continue the Patronship and maintain the seniority provided Patronship payments have been maintained annually.

GR 31 NON-COMPETING HORSE

A non-competing horse that ultimately enters the show will be considered a Post Entry and must be submitted by the final closing date.

There will be a \$750.00 fine per horse for not filing an official entry form with the show office.

GR 32 PATRONSHIPS

National shows have patron programs with various benefits including preferred stalling, class sponsorship, seating and patron's lounge benefits.

Patron seniority is based on the number of consecutive years a barn/trainer/individual has been Nationals Patron for that show. Stalling assignments will be done based off Patron seniority and when Patronship forms are received. Any year a Patronship is missed will result in the Patron losing their seniority. In order to retain seniority, Patrons must be current every year. The National Show Commissions reserves the right to review special case requests regarding seniority, and their decision will be final. Each special case will be evaluated on its own facts and circumstances.

4. Patronship's are considered as one (1) Farm or one (1) Person.
 - a. An additional Patronship may be held by an individual within a Patron's Barn, but those additional Patronships have no effect on the "primary" Patron's Barn priority.
 - b. That other individuals' Patronship likewise does not affect another Patron's Barn they may move to; their Patron priority is with themselves.
 - c. Only the named Farm/Person on the Patronship is allowed to hang drapes or signage that identify only that Patron name.
5. 80% of the stalls must be in the Patron Trainer's/Farm's barn (for 49 stalls and under). For those with 50 Stalls or over, 90% of the stalls must be in the Patron Trainer's/Farm's barn, for example, if the Patron on record has 30 stalls on their stabling report 24 of those stalls must be in the Patron Trainer's/Farm's barn and only 6 stalls may be in another Trainer's/Farm's Barn.
6. If that 80%/90% is violated, for example, if the Patron on record has 30 stalls on their stabling report and only 20 of those stalls are in the Patron Trainer's/Farm's barn and the other 10 are in another Trainer's/Farms barn then only 4 of those stalls will be allowed to be stabled with the Patron on record. The other 6 stalls will be stalled wherever the Barn Manager can fit them.
7. Barns with over 100 stalls may not be stalled together. Every attempt will be made to keep stalls as close in proximity as feasibly possible.
8. For Patrons that exceed their average number of stalls (over the last five years), the overflow may be in another location.
9. If necessary, a Show Commission and/or a Barn Manager can limit the number of tack stalls.

It is the policy of the Nationals Show Commissions to not make schedule changes within 24 hours of a class, unless there are extenuating circumstances. No classes will be moved in the schedule once the Omnibus is printed other than sections may be added or cancelled if entries warrant.

The schedules printed in this prize list are TENTATIVE and based on entry projections for each class and the number of sections required. Any change in the number of entries may affect the corresponding number of sections in that class. The Show Commissions will review class entry numbers and sections after the entry deadline and will revise the schedule accordingly if deemed necessary.

Please note No classes will be moved to an earlier day in the schedule.

Exceptions:

1. Dressage classes may move to a different day depending on entry numbers.

2. Classes scheduled with only a SFF that must be divided into section due to the number of entries, will have the sections run in place of the SFF and the SFF will be later in the schedule.

3. If Sections listed in the tentative schedule are canceled, the SFF maybe moved to run where the sections were scheduled for that class.

Please check the AHA App, the Web site or with the Show Office upon arrival for schedule changes and posted sections.

Please be prepared as no entry fees or other fees will be refunded due to schedule changes. Schedule conflicts between rings are the responsibility of the exhibitor.

Updates to the schedules for all the Nationals shows will be posted on each shows home page and the AHA App. Please refer to the most current schedule prior to entering the horse show.
